

## Highway Bond Issue Rejected By Legislators

LANSING (AP) — The Republican majority in the Senate agreed in caucus today to reject Gov. Williams' request that the Legislature submit a half billion dollar highway construction bond issue to the voters.

The caucus said the governor's request was "purely political." Senate leaders had previously indicated they were cold to the proposal.

Williams sent a special message on the subject to lawmakers as they assembled for a brief, two-day windup of the 1954 session. The governor advocated that the Legislature revive the Cloon proposal for the five hundred million dollar bond issue.

### No Definite Plan

Sen. George N. Higgins (R-Ferndale), chairman of the Senate Taxation Committee which buried the proposal earlier, said, "I wonder if the governor would build a house without having a set of plans. This Legislature has provided for a special study of highway needs for the specific purpose of seeing where and how such a bond issue might be spent."

Sen. Edward Hutchinson (R-Fennville) said, "I think most of us are opposed to asking the people to vote half a billion dollars without knowing where or how it is to be spent."

### Traffic Burden Grows

Williams said recent developments accentuate the need for a large road-building program.

When the St. Lawrence Seaway is extended to Duluth, he said, the economic, industrial and population growth of Michigan will place an increased burden on state highways.

He also said development of the hydrogen bomb has shown the need for metropolitan access highways to speed the evacuation of major cities.

He added that completion of the Mackinac Straits Bridge will require expansion and improvement of highways leading to the bridge. The governor, etc. 4th of 69

The governor based his message on the theme: "Build tomorrow's roads today."

He advocated two qualifications to the original proposal by Sen. Joseph P. Cloon (R-Wakefield).

The governor proposed that the half billion dollars be devoted entirely to federal aid highways so that Michigan could receive as much federal road building money as possible.

Williams also proposed creation of a highway council to allocate the money to the areas of greatest need.

He specified that the bond issue would be over and above the state's regular highway program, noting, however, that part of the present highway income would have to be used to retire the bonds. When Cloon proposed the immense bond issue he said he did it only in the expectation that the federal government would retire from the gasoline gas tax field and leave it to the states. This has not been done yet.

### Four Vetoes Studied

The Thursday and Friday session, largely routine, had been expected to be without fireworks until Williams sprung his special message. The only other issue regarded as a source of controversy was Williams' attempt to put two new prisons on the drawing boards despite a legislative vote for one new prison.

Rep. Adrian De Boom (R-Owosso), chairman of the house rules committee, sniffed at Williams' prison plan and indicated the law-

## President Signs Lake Seaway Bill

By JAMES C. MUNN

WASHINGTON (AP) — President Eisenhower signed the St. Lawrence seaway bill today in a White House ceremony.

"Now work can begin on the great project," the President declared as he put his signature to the measure which sets in motion a plan to bring ocean trade into the heart of the American continent.

With more than a score of Congress members and Canadian Ambassadors A. D. P. Henney, looking on, Eisenhower used nine pens to sign the bill.

Three of them were made from wood recovered from old Fort Detroit in Michigan, which was the last of the British-held forts in this country.

Seated at Eisenhower's right as

he signed were Sens. Ferguson (R-Mich.) and Wiley (R-Wis.). On his left was Rep. Dondero (R-Mich.). All three of the congressmen played key roles in enactment of the bill.

Eisenhower said he was very happy to sign it and that he was particularly glad the Canadian ambassador was present. Altogether 43 members of Congress were invited.

The bitterly contested seaway legislation finally cleared Congress last Friday after a 30-year struggle.

The measure authorizes the United States to join Canada in Building a waterway deep enough to let ships sail from the Atlantic as far inland as Toledo, Ohio, by going up the St. Lawrence River to the Great Lakes.

## Top French Doctor Evacuates Wounded At Dien Bien Phu

By LARRY ALLEN

HANOI, Indochina (AP) — The French flew one of Indochina's most eminent doctors to Dien Bien Phu today to arrange for speedy release of French Union troops seriously wounded in the long defense of the fallen fortress.

French officials hoped the mass airlift of casualties from the Vietnamese-held valley 175 miles west of Hanoi would start Friday.

They anticipated it would bring out about 700 men — half of the

## Premier Laniel Has Slim Chance

PARIS (AP) — Premier Joseph Laniel sought a vote of confidence today from a balky National Assembly. The outcome will decide the fate of his shaky government and possibly that of the Geneva conference as well.

If 314 negative votes are cast, Laniel will have to resign. His coalition is rounding out its 11th month in office, an unusually long term in France.

Political experts gave him only a slim chance of surviving today's vote.

The issue was the Premier's demand that debate on Indochina be postponed until after the Geneva conference. He won a 311-262 confidence vote on the same question last Thursday, but that was before the fall of Dien Bien Phu aroused nationwide bitterness.

## Indochina Peace Talks Held Up

By MAX HARRELSON

GENEVA (AP) — The Indochina peace talks, tightly deadlocked over rival East and West armistice plans, came to a virtual standstill today while delegates to the Far Eastern conference awaited the outcome of France's political crisis.

Some followers of French internal politics said it was a tossup whether Premier Joseph Laniel's government would survive a National Assembly vote of confidence scheduled for tonight on the Indochina issue.

The feeling here was that if the government fell, the Geneva parley would have to be suspended until a new cabinet was formed.

# Five Atomic Powers Seek Deal To End Arms Race

## Engineer Called Red Organizer In Flint Plant

By GLENN ENGLE

FLINT (AP) — In a golden age for engineers, a New York educated electrical engineer has spent five years in routine production work in a Flint auto plant. During this time he hasn't sought an engineering job.

That much was established at a House un-American activities subcommittee hearing Wednesday. But the congressional Communist hunters were anything but satisfied with engineer's explanation.

The witness was Howard Ira Falk, 26-year-old graduate of the College of the City of New York (CCNY).

Refuses To Answer  
Investigators wanted to know whether Falk was "assigned" to Flint by the Communist party's top command to step up Communist activity in this city's sprawling auto plants.

Rep. Velde (R-Ill.), chairman of the parent House committee, asked Falk bluntly if he was "sent here as a Communist emissary."

Falk, citing his rights under four constitutional amendments, refused to answer.

Mrs. Beatrice Churchill had identified Falk as one of more than half a dozen educated young men dispatched to Flint in the late 1940s as "colonizers" to give lagging party affairs a shot in the arm.

Falk called Mrs. Churchill a paid FBI informer inside the party for five years, a "stool pigeon." For this and other remarks he was threatened repeatedly by subcommittee Chairman Clardy (R-Mich) with a contempt citation.

### Degree Not Mentioned

A purported photostatic copy of Falk's employment application at General Motors' Buick Motor division was introduced into the record.

Committee counsel Frank Tavenner said the application was filed in September, 1949, only 14 days after Falk was graduated from CCNY. But the document listed only attendance at the college in 1944-45.

Tavenner then asked if hiding his college degree was not a "plan of deceit to carry out the objectives of the Communist party."

Falk refused to answer. But he said his only interest in 1949 was finding a "quick" job and believed he might be assigned to "clerical work" if he mentioned his college degree. He said the "wages and working conditions were better on production."

So he went to work as a foot press operator, Falk said. Now he is a milling machine operator.

### Concentrated At Chevrolet

Mrs. Churchill said the Communist party has been "very active" in General Motors' Buick, Fisher Body and AC spark plug plants here.

But she said the biggest concentration has been at GM's Chevrolet plant because the Communists regard Chevrolet as "the backbone of General Motors."

The party has been successful, she said, in getting its propaganda in "The 09nbfign34." Publication of Chevrolet Local 659 of the CIO United Auto Workers.

Earlier this week, the international UAW suspended officers of that local. One of the accusations against them was that "anti-union" matter had been printed in "The Searchlight."

## Book Mine Near Alpha Reopens; 73 Laid Off At Lawrence Mine

CRYSTAL FALLS (AP)—There was both good and bad news for iron miners in Michigan's Upper Peninsula today.

The North Range Mining Co. said Wednesday it intends to reopen its Book Mine near Alpha May 17. The company said 70 men would be recalled to work on a four-day week basis. The mine has been shut down for three months.

But 73 miners will be affected by suspension of work at the Lawrence Mine of Pickand, Mather and Co. The mine, near Crystal Falls, produces high phosphorous iron ore. A company spokesman said there is no current demand for this type of ore.

## TODAY'S CHUCKLE

In the footprints on the sands of time some people leave only the marks of a heel.

## Eisenhower Regime Reactionary, Union Told By Truman

ATLANTIC CITY, N. J. (AP) — Former President Truman accused the Eisenhower administration today of following an economic policy of "creeping McKinleyism." He suggested six steps he said would "carry us far toward full employment within a year."

Truman did not explain the phrase "creeping McKinleyism"—an obvious parallel to the words "creeping socialism" which President Eisenhower has applied to some "Fair Deal" measures.

President McKinley was notably conservative on economic issues, and his name is often used by Democratic orators as a symbol for reaction.

### Program Recommended

In an address delivered to the CIO Amalgamated Clothing Workers annual convention, he said the administration seems to be "merely hoping and praying that things will not get still worse," and recommended:

1. Increasing federal spending by about three billion dollars a year to strengthen defenses against aggression and to meet needs for power and resource development, public works and roads, education, health and housing.

2. Raising personal income tax

exemptions from the present \$600 to \$800, which would cut taxes about 4½ billions yearly, or combining some such increase with "equitable readjustments" in tax rates.

3. Tossing "out of the nearest window" Secretary of Agriculture Benson's plan for flexible farm price supports and substituting a program to "support true parity" of income for the farmer.

4. A "clear-cut policy" favoring a rising level of wages, including an increase in the federally required minimum wage to bring the standard "into line with present-day conditions." He said also the

## 'Sinful Man' Sets Himself On Fire

By LARRY ALLEN

HANOI, Indochina (AP) — The French sent their newly supplied American Navy Corsair fighter-bombers today into the widening aerial assault upon the 70,000 Communist-led Vietnamese troops inside the key defense bastion of the Red River delta.

B26 bombers, aided by Privateers and Corsairs, hammered regular Vietnamese troop concentrations and occupied villages and their hideouts in limestone hills around Phuly, 30 miles south of Hanoi.

The planes flew more than 40 missions at Vietnam which are spearheading attempts inside the delta to smash vital lines of French communications, key defense posts and possibly pave the way for an eventual major attack from the outside by Vietnamese troops moving from the fallen fortress at Dien Bien Phu.

The Lincoln schoolhouse, located in a V formed by the creeks, exploded and burned Wednesday night. Authorities said boiler fires were extinguished by the water and a gas explosion followed.

The area had been evacuated long before.

The homeless were given shelter in public buildings and the homes of friends.

Young Czech Airman Flees In Underwear

NUERNBERG, Germany (AP) — U. S. Army authorities kept a guard of secrecy today around a young Czech who fled to freedom in his underwear. The youth, 23, fled his Communist-ruled homeland in a two-engine civilian plane and crashed landed Wednesday near here. There was no explanation so far of how the Czech escaped, or why he fled in his underwear.

Storm Drowns 900

TOKYO (AP)—Perhaps 900 Japanese fishermen drowned in a tremendous cyclonic storm which slashed across northern Japan Sunday, the newspaper Asahi said today. The men were crewmen on 108 boats which capsized or vanished.

School Bus Waits

WENATCHEE, Wash. (AP) — Any-one missing a school bus?

There is a new bus parked at Pangborn Field near here. The driver parked the vehicle and boarded a plane for Seattle three weeks ago.

West Coast airline officials said the driver bought a round-trip ticket and they presumed he would come back. He didn't.

Catholics Gain; Total 31,658,424

NEW YORK (AP) — The 1954 official Catholic directory says the nation's Catholics now total 31,658,424, representing a gain of more than 4 per cent over the previous year.

The directory figures, released Wednesday, put the Catholic portion of the country's over-all population at about 21 per cent.

Of the new church members, 116,690 were listed as converts from other faiths in the last year.

## Group Proposes To Raise Sunken Warship Monitor

CAPE HATTERAS, N. C. (AP) — A retired rural mail carrier plans to lead a group of men who hope to raise the Monitor, one of history's first iron-clad battleships, from its Atlantic Ocean graveyard.

What is believed to be the vessel, which braved the shells of the Merrimack only to succumb to the fury of the seas, has been located almost within shadow distance of the famed Hatteras lighthouse.

R. T. McMullen of Dundee, Mich., who admits to having no previous experience in sea reclamation, heads a crew hoping to raise the ship from about 30 feet of water.

With him are a writer and photographer and two divers. It is estimated over \$100,000 will be needed to raise the vessel, which went down in 1862.

The Monitor's famed duel with the Confederacy's Merrimack in the Civil War was the first in history between two metal-covered warships.

(Please Turn To Page 6, Col. 5)

Chicago Police Hunt Tough Who Robbed 2 Deputy Sheriffs

CHICAGO (AP) — Police and sheriff's officers hunted today for a young prisoner who at gunpoint disarmed two deputy sheriffs, forced them to drive him 15 miles, robbed them of about \$50 and then stole their car.

Two Du Page County deputy sheriffs Wednesday arrested Arthur Peters, 23, in suburban Franklin Park on charges of contributing to the delinquency of a minor.

The deputies quoted Peters as saying he had been convicted of murder and kidnapping while serving in the army in Korea and was on 12 years probation.

They quoted him as saying, "One false move out of either of you and you're dead."

The deputies said Peters told them that he was perfectly willing to kill them unless they obeyed orders. Eyer quoted him as saying: "I got nothing to lose."

After driving to the city's South Side the deputies were ordered out of the car after Peters told them to throw their money on the front seat. They said he fired one shot as he drove away.

Okla. Flood Evicts Over 100

WAURIKA, Okla. (AP)—More than 100 persons remained homeless today in a flood, the second here in the past two weeks of drought-breaking rains all over the state.

Rampaging Cow and Beaver creeks, perennial flood threats in southwestern Oklahoma, overflowed Wednesday into the north-west residential area. Flood waters lapped two blocks over in the business district.

The Lincoln schoolhouse, located in a V formed by the creeks, exploded and burned Wednesday night. Authorities said boiler fires were extinguished by the water and a gas explosion followed.

The area had been evacuated long before.

The homeless were given shelter in public buildings and the homes of friends.

## Move To Break Deadlock With Russia Foreseen

By ARTHUR GAVSHON

LONDON (AP) — The world's five leading atomic powers meet in this H-bomb — wary capital today in quest of a pact ending the arms race and outlawing atomic and germ warfare.

There were guarded hints from British and American informants that the Western nations, jointly or individually, might put forward revised proposals in a bid to break the years-long deadlock with Russia on the issues.

The group is meeting as a subcommittee of the U.N. Disarmament Commission.

Enforcement Comes First

Recent disclosures of effects of U. S. hydrogen — bomb — test explosions in the Pacific led the Churchill government to propose that a new effort at control should be made.

There were no clues to the possible nature of any new Western proposals for disarming of atomic and germ warfare control.

To start the talks, however, the four Western Powers — the United States, Britain, France and Canada — were reported planning to stand on their old position that establishment of reliable enforcement machinery must precede any ban on atomic weapons.

Minister of State Selwyn Lloyd is Britain's chief delegate at the talks. Morehead Patterson, an industrialist, represents the United States. The other delegates at the opening meeting were Foreign Secretary Lester B. Pearson for Canada, former Defense Minister Jules Moch for France and Ambassador Jacob Malik for Russia.

Immediate Ban Wanted

The five-power group started its discussions with these long-standing rival proposals before it:

Atomic weapons: The "Baruch Plan" of the West would create a world authority to control all dangerous aspects of atomic energy development. It would have complete inspection and enforcement rights. Later existing stocks of atomic weapons would be destroyed.

Russia wants atomic weapons banned immediately and an international control organ set up with full inspection rights. The organ would be subject to the U.N. Security Council, where the Soviets have the right of veto.

Conventional weapons: A Western proposal of 1952 calls for a census of the powers' armaments to be followed by international verification. The Western Allies also proposed limitation of the American, Soviet and Chinese armed forces to a million men each, and of the British and French armed forces to 750,000 men each.

Russia demanded simply a one-third cut of the armed forces of the Big Five, which would preserve the Communist world's control.

## North Carolina Solon Dies At 76

By LEWIS GULICK

WASHINGTON (AP) — Sen. Clyde R. Hoey of North Carolina, an "old school" Southern gentleman who spent a lifetime in newspapering, law and politics, died Wednesday. He was 76.

Distinguished by a courtly manner, flowing white hair and frock coat, he had served in the Senate since 1945 after a term as governor of his state. He was probably best known for his chairmanship of the subcommittee which investigated the 5 per cent scandals in the Truman administration.

The Senate lineup now stands at 47 Democrats, 47 Republicans and 1 independent. A Democrat will doubtless be named to fill Hoey's place.

Dr. George W. Calver, physician to Congress, said Hoey apparently suffered a stroke and died in his sleep about Wednesday afternoon. He was found seated at his office desk, not long after he had attended a lengthy committee session.

William B. Umstead, North Carolina's Democratic governor, will name Hoey's successor. Unofficial speculation centered on Gregg Cherry of Gastonia, a former governor, and Carlisle Higgins of Winston-Salem, a Democratic national committeeman. Umstead himself had no comment.

## City Budget Cut \$10,000

By City Council action the 1954-55 budget proposed by City Manager A. V. Aronson was reduced approximately \$10,000, and will total approximately \$837,538 for operations.

Including the city's four utilities budgets the total budget for general operations and utilities will total approximately \$1,656,731.

In budget review session Tuesday the Council struck a total of about \$15,958 from the general operations budget.

Last evening in special session the Council provided that \$3,500 of the \$15,958 be placed in the fire department budget to be used if an when the Council approves a recommendation of the civil service commission to give firemen one and one-half pay for Sunday work; and \$1,500 to add to the contingent fund to cover the cost of civil service commission recommendation that all employees receive a 1 cent per hour cost of living raise.

City Manager A. V. Aronson recommended 2 per cent pay increase for employees, also recommended by the civil service commission, is already contained in the budget.

The budget provides for a tax rate of \$14.96 per \$1,000 valuation on a total city assessed valuation of \$15,822,648, and will bring tax revenues of \$236,701.81. This rate is below last year's tax rate of \$15.69.

The city will receive estimated revenues from the utilities totaling \$231,164.26. The other revenues will come from state tax refunds and miscellaneous sources to finance the total operating budget of \$837,538.

Public hearing on the proposed budget is scheduled for the Council meeting to be held Thursday night, May 20.

## Default Judgment Given Yesterday To Minnesota Firm

Judge Glenn W. Jackson, in circuit court yesterday afternoon, ordered a default judgment in favor of the Physicians and Hospitals Supply Company, a Minnesota corporation, against Jessie Lanthier, doing business as the Cradle Home.

The judgment amounted to \$1,435.77 along with \$9 costs.

This case was one of the many listed on the calendar as causes in which no progress had been made in more than one year.

The rest of yesterday's and today's session of Delta County Circuit court was taken up with hearing of divorce actions. Cases of this nature are likely to take up most of the court's time the rest of the week.

## Mrs. Weycker Is Named Chairman Of Safety Group

Mrs. William Weycker was named chairman of the Escanaba Citizens Safety Advisory Committee and Lawrence Erickson co-chairman last night at an organization meeting of the group held in City Hall.

The Safety Committee is appointed by the City Council and acts in an advisory capacity to that body.

Other members of the Safety Committee are Elmer Swanson Jr., Mrs. Ray Knudson, Leo Laviolette, Ray Taylor, Robert Thiberg, Donald Rheume, Donna Hurley, presenting the Escanaba High School student council, Councilman Jacob Bink, and Police Captain Jack Finn.

Next meeting of the Safety Committee will be held Wednesday, June 2, when a secretary for the Committee will be named.

## Assembly Program At Rock School

ROCK—A school assembly service program will be presented at the Rock High School gym Monday, May 17 at 2 p. m. Glenn L. Morris will present "Modern Science Is Magic."

A specialist in scientific fun, he has popularized science before more than 7,000 audiences throughout the country. A man with educational background which makes his demonstration authoritative, he is also that rare science speaker who has a keen sense of showmanship. He also calls attention to the great occupational opportunities in the science fields.

An outline of his demonstrations include electricity at high pressures when 100,000 volt flashes of lightning give a close-up of the awe-inspiring display of nature; stroboscopic illusions in which one sees things that do not happen; freakish frequencies as rapid fire comes of unusual effects; power transmission without wire and a frolic with Buck Rogers and Flash Gordon. The public is invited.

### Concert Sunday

Paul Oksman, baritone, will present a concert at the Finnish Lutheran Church May 16 at 7 p. m. in both Finnish and English languages. Church services will begin at 10 and 11 a. m. in Finnish and English respectively.

### Briefs

Mrs. Verner Hallinen spent Mother's Day with her daughter and son-in-law, Mr. and Mrs. Bob McArt in Ishpeming.

Mrs. Paul Ramseth left for Kenosha, Wis., Thursday to visit with her daughter and son-in-law, Mr. and Mrs. Bryon Dowse.

Guests at the home of Mrs. Josie Carlson, Mother's Day were Mr. and Mrs. Hank Johnson, Marquette, Charley Moilinen, Negaunee, Mr. and Mrs. Clarence Carriere and daughter, Gladstone, Mr. and Mrs. Art Dodge and daughter, Escanaba, Mr. and Mrs. Norman Carlson and family, Glad-

## Legion Veterans Meet At Reunion

Past Commanders of the Escanaba American Legion post, representing a span of 34 years, held their annual reunion last night at the Chicken Shack on M-35. It was the 17th gathering of Legion Post 82 past commanders, and a total of 19 men were present.

Opening the 6:30 dinner program was a memorial tribute to seven members of the past commander's club who have been taken by death. Claude J. Tobin Jr., president of the club, presided at the meeting. In the annual election, the following were chosen as officers for the ensuing year: William Henderson, president; Robert Olsen, vice president; C. Elmer Olson, permanent secretary-treasurer.

Port Blair, one of southern Asia's finest harbors, is the capital of the Andaman islands.

stone and Mr. and Mrs. Clifford Carlson and family, Rock.

**Senior Class Banquet**  
The Senior class of the Rock High School enjoyed a banquet at the Dells Tuesday evening. They were accompanied by Mr. and Mrs. George Weingartner, Mr. and Mrs. Vic Mankiewicz and Mr. and Mrs. George Kulack.

## Three Area Students Honored At U. Of M.

Two Escanaba students and one Manistiquette student will be among the 700 outstanding students at the University of Michigan Friday, May 14, and will participate in the U. of M.'s 31st annual Honors Convocation. The ceremony will begin at 11 a. m. in Hill Auditorium.

Mary Sue Fleming, daughter of Mr. and Mrs. L. M. Fleming, 615 Ogden Ave., and David Harold Gasman, son of Mr. and Mrs. Harold Gasman, 615 S. 10th St., are the two students of Escanaba, and Joan Fitzgerald Sheahan, daughter of Atty. and Mrs. William J. Sheahan, 223 Range St., is the Manistiquette student.

Mary Sue is being honored with Junior Honors in the College of Literature, Science and the Arts. David will receive the honor of Sophomore Honors in College of Literature, Science and the Arts, and Miss Sheahan will be awarded with the Clay Ford Testimonial.

The families of the honored students have been invited to attend the event and an afternoon tea at the home of U. of M. President Harlan Hatcher.

## Scientist Reports:

## Expect Atom Plants To Bring Electrical Gain

From Milwaukee Journal)  
MILWAUKEE—By the year 2000 the United States may be making two and one-half times as much electricity from atomic power as the total it now produces, some 200 Milwaukee area engineers were told Tuesday night.

They heard Dr. J. A. Lane, director of the reactor experimental engineering division at the atomic energy commission's Oak Ridge (Tenn.) national laboratory. He led the fourth in a series of five weekly atomic power meetings sponsored by the Milwaukee section, American Institute of Electrical Engineering, and the Institute of Radio Engineers at the Engineers Society of Milwaukee, 3112 W. Highland Ave.

Dr. Lane said, "It is very fashionable to make such predictions, and there are many members of the crystal ball department. It is very difficult to look so far ahead and nobody can claim any great validity for his guess."

### Using More Electricity

He said, however, that economists and power executives estimate on future use of electricity in the United States average out at about seven times as much in 2000 as we use now. Of that, he said, something over one-third might logically come from the splitting atom.

He said the country's uranium supplies appeared adequate to support such a power industry as well as a weapons program. The total amount of uranium used between now and 2000 for power production at his estimated level would be about 1/10 of the known high grade reserve in this country, he said.

It appears from present experi-

mental reactors and theoretical work on large scale atomic power plants, he said, that ultimately it will be possible to make for \$67 as much electricity as conventional generating plants make for 570.

### Big Saving for Industry

Such a saving, if it could be made right now, would amount to 700 million dollars a year for the whole power industry, he said.

However, it costs more initially to build atomic plants. Dr. Lane said the average coal plant costs about \$150 per kilowatt of generating capacity. (A kilowatt is enough to run an electric toaster.) The same generating capacity in an atomic plant costs \$220, he said.

One reason for the high first cost of atomic plants is the expensive materials that must be used, he said. He listed these examples: Beryllium, \$100 a pound; zirconium, \$50 a pound; heavy water,

## Escanaba Planning Commission Session Scheduled Tonight

The Escanaba Planning Commission will meet at 7:30 tonight in City Hall to discuss a site for the proposed Alger-Delta Electric Cooperative generating plant on the north bay shore and adopt a recommendation to the City Council.

City Council referred to the Planning Commission the Alger-Delta request for a shore site in the city just north of the C&NW

ore docks on city-owned land. Also before the Planning Commission will be the request of Ben Yagodzinski for the purchase from the city of a parcel of city-owned land just north of the C&NW overpass on US-2-41. Yagodzinski wants to purchase a strip 1100 feet deep with 200 feet of frontage on the highway.

The Planning Commission's industrial committee, which has studied both requests, will make a report tonight.

Action on a proposed new zoning ordinance for Escanaba, under study by the Commission since last fall, also is expected.

about \$100 a quart; titanium, \$10 to \$20 a pound, and uranium \$35 a pound.

He said that by 2000 there would be a major business in just supplying the needs of atomic power plants. The total spent by the industry for buildings, machine parts, special materials and other essentials may run to \$3,500,000,000 a year, he said. Instruments alone would amount to between 100 and 200 millions a year, he said.

## Editorials—

### End Of Harnischfeger Strike Restores \$10,000 Daily Payroll

MAYOR Harlan Yelland performed a tremendously valuable public service in his successful role as negotiator for settlement of the Harnischfeger strike. The end of the strike means the resumption of business at the Harnischfeger plants and the restoration of a payroll that is nearly \$10,000 a day to the Escanaba area. It means economic security for the more than 600 Harnischfeger employees and it means a continued flow of business for Escanaba merchants and service establishments.

But most importantly, it means healing the rift between labor and management at the Escanaba plants and thereby, we hope, presaging a long period of tranquility in labor relations. Contract negotiations in the labor relations field generally are a little bumpy and often are further complicated

by emotional side issues but they can serve also, to a better understanding by labor of the problems of management and vice versa. If that has been accomplished in this instance, then the bruises that have been sustained on all sides may not have been without achievement.

As we indicated at the outset, the services of Mayor Yelland in assisting in the negotiations that led to settlement of the strike were in the finest tradition of conscientious public service. The mayor has earned the thanks of the community for his efforts. The problem of a neutral in a situation like this is a difficult one indeed, requiring complete impartiality, diplomacy, patience and persuasiveness.

But fundamentally no neutral, no matter how conscientious or devoted to his cause, can accomplish anything in these situations without a favorable atmosphere in which to work. That means the essential cooperation of the principals involved.

That was attained in these negotiations, as indicated by the speedy settlement of the controversy. Both management and labor showed a sincere willingness to give and take for their mutual benefit in reaching an agreement.

Everybody is happy that the strike is over, that it was conducted peaceably and that it left no deep wounds.

### For A Freer Partnership

THE Japanese Diet has now completed ratification of the mutual defense treaty with the United States. That means we may now proceed with the limited rearmament of the Japanese islands.

The action constitutes an answer to Chinese Foreign Minister Chou En-lai, who recently called on the West to clear out of Asia and give up remilitarizing Japan. Most Japanese understand only too well what would happen to them if they were left defenseless in the shadow of Communist China.

It should be noted, however, that the approval given the treaty by the Upper House in Japan was something short of overwhelming. A great many members abstained.

Observers are convinced the reason for this hesitancy is resistance to the continued dependency of Japan on the United States, both economically and militarily. Many Japanese have a feeling they are under compulsion.

We can perhaps minimize some of this feeling by implementing the treaty with extreme diplomatic skill. But probably the best thing we could do is to assist the Japanese to find the path to greater independence economically.

Only when they have that will they be likely to view any treaty arrangements with America as the product of international partners—equals—freely entered into as a matter of choice.

## Into The Past

### 10 YEARS AGO

Escanaba—Gov. Albin W. Norblad, a former Escanaba resident, will represent Escanaba at the launching of the S. S. Escanaba Victory at the ship building yards at Portland.

Wells—Oren K. King, superintendent of Wells schools for the past 8 years has resigned to accept a position in an Illinois consolidated high school.

Manistique—Mauritz Carlson, worthy patron of Ida Chapter OES, presided at the annual past matron and patron dinner held here Wednesday. Well over 100 members of the order were in attendance.

### 20 YEARS AGO

Masonville—The Arthur J. Beauvais home at Masonville was struck by lightning and burned to the ground.

Escanaba—The Rev. Karl J. Hammar, pastor of the Swedish Methodist church, has gone to Chicago where he will attend the Institute of Peace and War, sponsored by the Fellowship of Reconciliation.

## The Doctor Says . . . Mental Or Nervous Ills Need Sympathetic Appraisal

By EDWIN P. JORDAN, M. D. — Written for NEA Service

Correspondents frequently ask me to explain the difference between various terms which they have heard, such as "nervous breakdown," "nerve tension," or "nervous exhaustion."

This is difficult to do, because such names are often applied either to a true mental disease, or to some vague condition to which some other name cannot well be attached.

Furthermore, two people with the same general type of mental disease are not necessarily equally seriously ill.

REGARDLESS of the name attached to a nervous breakdown or mental difficulty, the most important problem, as in many other human ailments, is to identify what is causing the difficulty.

This is not always easy. The causes of many mental conditions are not thoroughly understood. Some of them may come from the heavy strains of modern life and the great mental tensions under which so many of us must work today.

A few—but probably only a few—may be inherited.

MENTAL TREATMENT (psychotherapy), administered by brain specialists; rest

physical therapy (including hot or cold baths), handcraft, and shock treatments are often helpful and have brought thousands back to normal.

Although much still has to be learned about causes, prevention and treatment of the various kinds of mental diseases, progress is already far advanced and even better results can be expected as the frontiers of knowledge are advanced.

Fortunately, many with mental illness will recover and find themselves quite normal again.

MANY OF THOSE who go away for a while with a nervous breakdown come back to their family and friends entirely restored to health.

Family, friends and neighbors should always be careful not to criticize. This applies to all form of mental illness, particularly since the victim of one of these nervous disorders is likely to be extremely sensitive.

One would not criticize a person who suffered from heart disease or an accident. The person with any kind of a "nervous breakdown" of mental disorder is no more to blame for his or her condition than for any other disorder.

The objective is to be helpful and sympathetic, rather than critical.

## Merry-Go-Round

By DREW PEARSON

WASHINGTON—The average person who watches perspiring Karl Mundt of South Dakota preside over the McCarthy investigation probably doesn't realize some of the private problems Mundt faces.

In the first place, his wife, Mary Mundt, is an ardent McCarthyite. She belongs to the little group, including Jean Kerr McCarthy and Bazy McCormick Tankersley (niece of the Chicago Tribune McCormicks), who help to plan Joe's moves and give him moral encouragement.

Senator Mundt himself is not that close to the group, though almost. It was Joe who tipped Mundt off, about a year ago, to a good stock deal in Texas when Gulf Sulphur did some amalgamating. Clint Murchison, the big Texas oilman and friend of McCarthy's, was interested and tipped Joe off. Karl admitted to newsmen that he bought more than 200 shares.

On the other hand, Mundt has reason to be friendly to the Army side, for John G. Adams, the Army counsel, is a South Dakota Republican, the state in which Karl must run for re-election in November.

Adams was once an official of the Young Republicans, also worked for Sen. Chan Gurney of South Dakota, then went into the Defense Department. He can't very well be accused of Communist leanings and will be a much smarter witness than Secretary Stevens. In fact, he's one of the witnesses McCarthy and Dirksen would like to keep off the witness stand.

These are some of the problems genial chairman Mundt has to face and one reason why he sometimes vacillates as he rules over the turbulent McCarthy hearing.

### DIRKSEN RATES WITH IKE

Those who watched the bitter battle between Taft and Eisenhower at the Chicago convention recall that its crowning moment of bitterness was a diatribe by Senator Dirksen of Illinois against Gov. Tom Dewey, leader of the Eisenhower forces.

Seldom in a political convention have political tempers been so frayed, has so much vitriol poured from the lips of any one man as that from able orator, Everett Dirksen. He did his best to defeat Eisenhower—and lost. Afterward, salt was poured into Dirksen wounds when Eisenhower—understandably—refused to take him as vice presidential running mate.

However, the public's memory and Eisenhower's are short. For today the same senator from Illinois is rated as one of the top advisers at the White House. Some even place him higher than Vice President Nixon, partly because Dick fell from favor or after that "use of American troops in Indo-China" speech before the editors, partly because Dirksen has been using soft words to try to heal wounds in the McCarthy squabble.

An extremely able and persuasive negotiator, Dirksen has been on a good many sides of a good many different fences. He was strong for Dewey at the Philadelphia convention in 1948 and helped get him nominated. He called Dewey the "most cold-blooded, ruthless and selfish political boss in the country" at Chicago in 1952. Dirksen was against the Chicago Tribune's Colonel McCormick in 1948 and was backed for President by McCormick in 1952. He was dead against Eisenhower in '52; but is one of his close advisers in 1954.

### JOE'S FAITHFUL FRIEND

But no matter which side he is on for President, Dirksen has been a consistent, faithful friend of Joe McCarthy's.

One of the most significant things Dirksen ever did regarding a McCarthy probe was send a public-relations man in no way connected with the federal government to attend a top and secret hearing of the McCarthy committee.

He is Harold Rainville, onetime assistant to Dirksen, but now drawing pay from the GOP elections committee for the reelection of Republican senators. This is a purely party organization and its members have no FBI clearance and no right to attend closed congressional hearings as representatives of senators. Yet Rainville was sent by Dirksen to attend some of the secret hearings on Fort Monmouth which heckled Brig. Gen. Ralph W. Zwickler.

This is the kind of cooperation Dirksen has given his friend Joe McCarthy.

If any of the witnesses appearing before the committee with Rainville present wanted to challenge its proceedings, the courts undoubtedly would uphold them. For the presence of a private public-relations man substituting for a senator and given the privilege of cross-examining witnesses, including an Army general, undoubtedly made the hearing invalid. It also showed what kind of closed shop McCarthy operated during the Fort Monmouth hearings and the closeness of the Dirksen-McCarthy tie.

### "LYIN' LOW" JOHNSON

Republicans who thought they had Sen. Lyndon Johnson of Texas eating out of their hands were irked and disappointed when Lyndon lashed out on GOP foreign policy.

What some of Lyndon's GOP friends didn't realize was that he was lying low until after May 3, the filing date for opposition candidates in Texas. Lyndon figured some of the big oilmen might put a real candidate in the race against him if he did much "rep-razzing" before that date; hence the nickname of "Lying Down" Johnson.

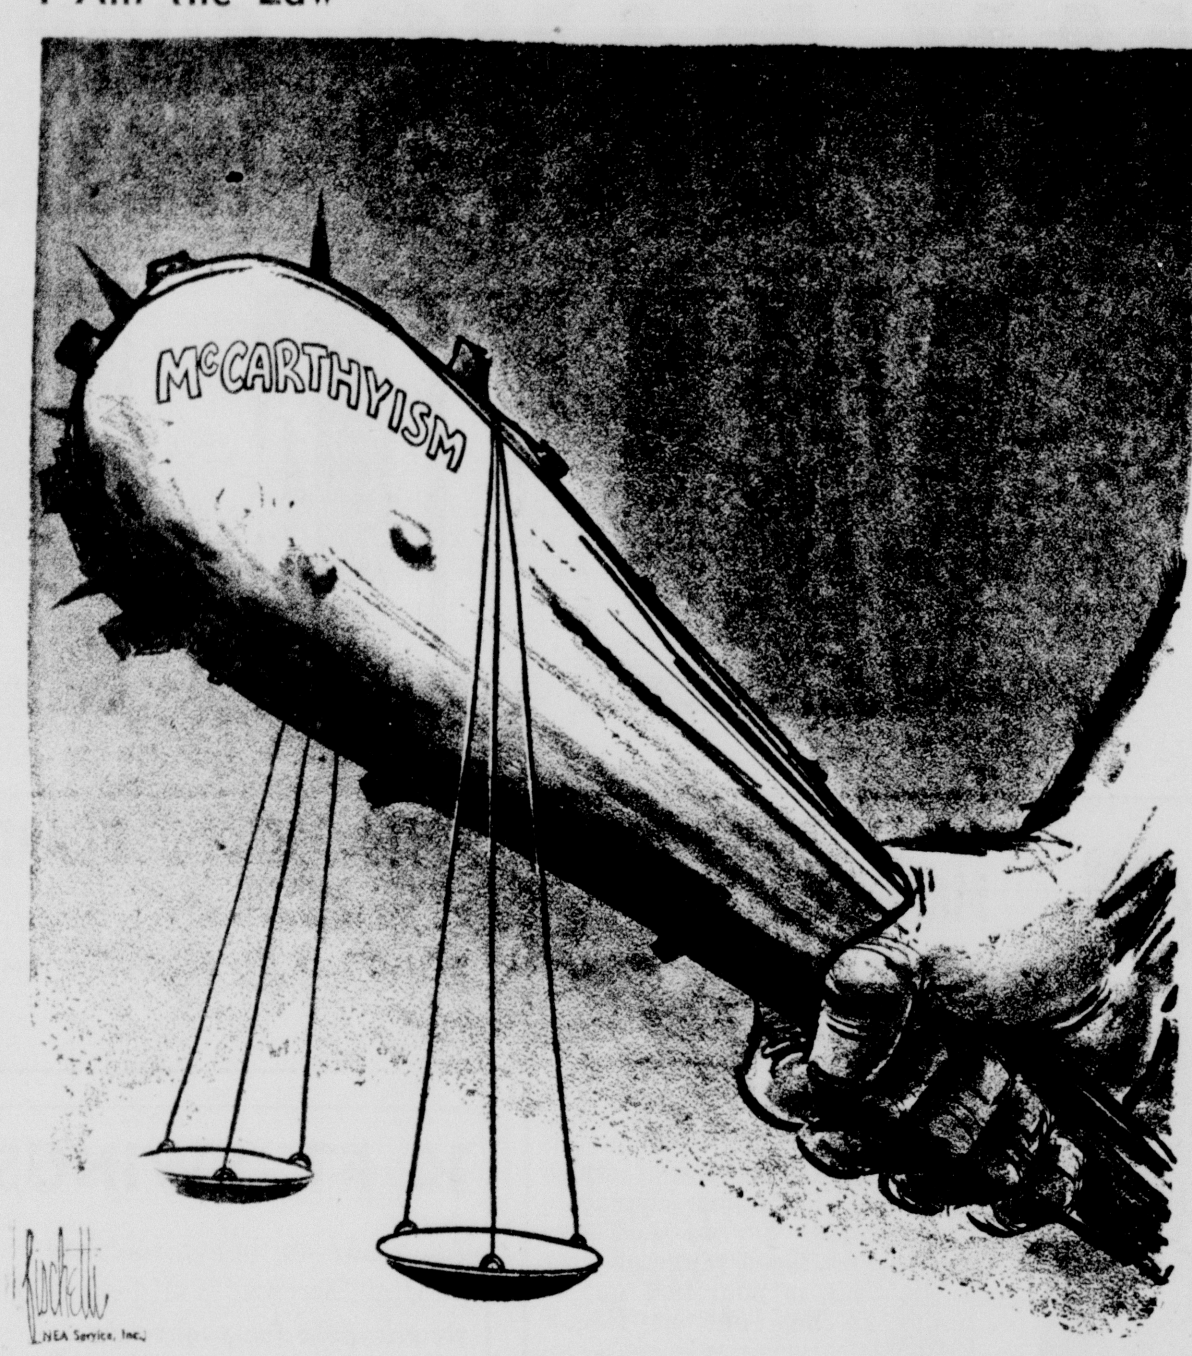

Since last week's speech, critical colleagues are inclined to change the nickname to "Lyin' Low." For Lyndon followed up his Jackson-Jefferson sizzler by keeping every Democrat in line against the Taft-Hartley revision, thereby administering Eisenhower's worst defeat.

## Questions and Answers

Q—Are there any formal regulations as to when the American flag shall be flown at half-staff?

A—Yes, President Eisenhower issued instructions March 1 designed to end any confusion over how long the flag should be flown at half-staff when prominent public figures die. The Eisenhower order provides for half-staff display for 30 days from the time of death of a President or former President; 10 days from the death of a Vice President, Chief Justice, former Chief Justice,

## "I Am the Law"

## Britain's Bevan Sees World Through Red-Colored Glasses

By TOM A. CULLEN

NEA Special Correspondent  
LONDON —(NEA)—Aneurin Bevan, a Welsh miner's son, once boasted that he was worth more than \$75,000,000 a year to the British Labor Party.

That was in the days when the Labor government was in power, and Bevan, as Minister of Health, was giving away free dentures to win votes.

Today, the burly Welshman has split the Labor Party into warring factions and blinded it to the realities of the Communist cold war.

He accuses the Americans of trying to wreck the Geneva conference. He blames his own government for "toadying" to the Americans in their plans to "encircle Republican China."

"If the Americans persist in building a defensive alliance for Southeast Asia, they should be told to 'go it alone,'" he says.

"If the Indo-Chinese elect to go Communist, they should be allowed to do so," he insists.

Bevan is opposed to NATO, EDC

ANEURIN BEVAN: Communism and Bevanism are just coincidence.

and British colonial policy. The fact that the Russians are opposed to the same things is pure coincidence, he maintains.

But if "Bevanism," as the doctrine is called, wins warm applause from the Kremlin, it plays hob with the British Labor Party.

"There are, in effect, two Socialist Parties in Britain," the Daily Express observed recently, referring to the fact that Bevan has informed his own "party" with in a party, that he can count on from 60 to 70 Members of Parliament to follow his policies blindly in the House of Commons.

Playing upon fears of German rearmament and latent anti-Americanism, the Welsh MP has also built up a following in the trade unions. For Bevan makes no bones about it—he is out to capture the leadership of the Labor Party from the more conservative Clement Attlee.

The storm center of Labor politics was born 56 years ago in the Welsh mining town of Tredegar, one of 1 children, of whom only eight survived the rigors of living on miner's pay in a four-room shack with sanded floor and no bathroom.

Those who know "Nye" Bevan

best explain his aggressiveness today as one big reaction against a painful childhood when, as a pale-faced, nervous boy of 13, he was sent to the coal pits to work for seven years underground.

If Bevan is second only to Churchill as the finest orator in Parliament, it is because he stammered badly as a lad, his friends claim. In order to overcome this handicap he forced himself to speak at street-corner meetings, and thus gradually overcame his nervousness.

In 1916 two events greatly influenced Bevan's life: he was elected chairman of a lodge of 4,000 miners, and he was arrested as a draft dodger. In court he pleaded exemption from military service on the grounds that he suffered from nystagmus, an eye disease common to miners, whipped out a medical certificate which he had obtained the previous day to prove it. It was his first big public triumph.

"I will fight, but I will choose my own enemy, my own time, and my own battlefield," Bevan taunted as he left the courtroom.

Bevan did not choose his battlefield until 13 years later when, with the coming of the postwar

depression, he was swept on a wave of Socialism into Parliament. Before that he and his family had lived mostly on the dole, with Nye getting an occasional job laying pipe for the gas works.

From the start he quarreled with Labor Party leaders. He was expelled from the party for a few months in 1939, was on the brink of expulsion again in 1944. In 1951 he resigned as Minister of Health in protest to cut in the social services budget.

But for a brief heyday Bevan knew power as czar of Britain's national health scheme. Millions of free dentures are a lasting monument to his success.

Today Bevan is running out of dramatic exits in order to force his will upon the British Labor Party.

The British Communist Party has already made overtures to him to form a Popular Front.

Commenting upon Bevan's recent disruptive tactics within the Labor Party, The Times of London takes the view that "the future existence of the party itself . . . is at stake."

To which the Daily Mirror adds: "If there were an election tomorrow, Labor's prospects would be dim indeed—because of Bevan."

## Electronic Elevators Giving U.S. Big Lift

WASHINGTON — New electronic, operatorless elevators are making the American today more than ever the world's greatest up-and-down traveler.

Never priding himself as a stair climber, he quickly looked on the elevator as one of the most beneficent inventions. As a result, the U. S. operates 250,000 elevators, three times as many as the outside world.

This country's craving for effortless elevation is expressed another way: 24,000,000,000 rides a year total nearly 600,000,000 miles or more than six times the distance to the sun, says the National Geographic Society.

Now Come Of Age  
Now the elevator has come of age, electronically speaking. Like many modern machines, it too has developed a "brain."

This is bringing a noticeable change in the lives of downtown workers: more and more are running their own office building lifts.

They step into a quiet, well lit elevator. There is no attendant but rows of accessible buttons. The passengers each press one for their floor, when the elevator fills comfortably, doors shut automatically. The riders' weight on the floor triggers the driving motors. Skyward motion is hardly perceptible. In seconds the doors silently part. The passengers step out.

The electronic "brain" analyzes the traffic. During rush hours it speeds the trips and reverses direction of empty cars to save time. One big manufacturer reports 80 per cent of its current office building orders are for this elevator.

Hoisting mechanisms are nothing new. Vitruvius, a Roman architect, told of some in use in 236 B. C. During the 17th century Velaye, a French builder, invented a "flying chair."

In 1852 Elisha Graves Otis devised an automatic safety catch that prevented a car from falling

if the lifting rope broke. Sixteen years later a 130-foot New York City building introduced a passenger elevator, making the skyscraper possible. In 1889 New York also installed the first successful electric elevator.

Now 70 cars service the Empire State building at speeds up to 1,200 feet per minute. One of its freight elevators climbs 936 feet, the highest rise in any building. Twenty million sight-seers have ridden to the top of the Washington Monument since 1888. The original steam elevator took 10 minutes. Today's trip lasts 70 seconds.

### A Hoistway That Slopes

The George Washington Masonic Memorial in Alexandria, Va., has a hoistway that slopes 7½ degrees from vertical. The Palomar Observatory in Southern California, where the National Geographic Society-Caltech Sky Survey is now in progress, has an elevator that curves with the dome housing the great 200-inch Hale telescope. The National Monument of the Revolution in Mexico has a similar arrangement in its dome.

An elevator at Chimney Rock, N. C., rises through a shaft drilled in 196 feet of rock. A far cry from this, a shoe company in Zlin, Czechoslovakia, has installed its president in an office that moves from floor to floor.

The world's smallest elevator is in a Chicago tower topped by a lighthouse. Caretakers ride a platform measuring 2 feet 9 inches by 2 feet 11 inches.

The late King Ibn Saud of Saudi Arabia had probably the most lavish means of vertical transportation: a two story elevator with specially woven carpeting and green, white and gold satin cushions.

When an American husband and wife are the same age, the chances that the wife will outlive the husband are 60 in 100

## Good Evening . . .

By CLINT DUNATHAN

THE CREDIT SIDE—There are times in the history of every community when people will ask: "What's wrong with our town, anyway?"

To prove their point that "something" is "wrong" they will recite various unrelated data: The citizens are apathetic, the merchants are unprogressive, the schools are too progressive, business is "falling off," and altogether "there is too much dissension."

Being a citizen of Escanaba we have not been above making some critical comments about "our town" in the past. But we have also attempted to assist as best we could with civic projects of benefit to the community.

Possibly without realizing how much harm can be done by agreeing with those who stand against but seldom for something, some of our citizens have come to the conclusion that Escanaba is in a bad way. They like to hark back to the dear old days of a decade ago when Escanaba was, according to their story, a veritable dynamo of progress.

WHAT WE ARE DOING—To say that Escanaba is today more progressive than ever before, that it has a larger population, higher valuation, more employment at higher wages, a greater citizen interest in civic affairs, is engaged in a school building program, and has a future brighter than ever before is to state the obvious.

Perhaps it would be well to examine what is being done now to keep Escanaba moving along the path of progress and development.

The Escanaba City Council and its administration and the Escanaba Industrial Foundation continue a cooperative arrangement conducive to winning new industries and encouraging those we have to stay here.

The Industrial Foundation and the Escanaba Chamber of Commerce are on the lookout to sell to outside prospects the industrial advantages of this community. To assist them in having industrial sites readily available, the city has provided a large acreage in North Escanaba for that purpose.

It was not 10 years ago, but only in recent months, that Escanaba cooperated in providing new housing for Northern Motor Rebuilders—and then restored that city-owned building following a fire. If the city had not acted quickly and with the full consent of its citizens, an industry might have been lost.

And it was only within recent years that Escanaba citizens approved revenue bond issues to construct a new water plant and a new gas plant, and to build a new public grade school.

Greater strides have been made in recent years in the development of Ludington Park and Webster Park than was the case 10 years ago; and a citizen's committee is sponsoring Karas Memorial Bandshell concerts to help finance construction of a bandshell. The public is supporting the programs, wholeheartedly.

The home building boom in Escanaba is recent, too, and reveals the confidence of citizens who firmly believe Escanaba has a future and is a good place to live.

People have been and are now working for the betterment of their town. They have not failed. Escanaba is not on the downgrade.

FACING THE FUTURE — There are some challenging aspects to the local picture.

Escanaba has its problems, serious problems.

First and foremost requiring action is the city's need to obtain a new source of electric power. The city can contract with Alger-Delta Electric Cooperative, which would also benefit the entire area; or it could construct its own municipal generating plant.

There is no indication that either the City Council or its citizens—who have the final decision—are considering the sale of the electric distribution system. The revenues from that utility have helped defray the cost of many civic improvements through the years.

Escanaba citizens should take heart in the knowledge that at long last the St. Lawrence Seaway has been approved and the Straits Bridge is to become an actuality by 1958.

What's "wrong" with Escanaba? Not too much that our citizens cannot correct. They have a good record of past accomplishment.

This is the time of year when the fathers of June brides begin to wonder whether the family pocketbook is going to hold out until the wedding's over and the bride successfully given away.

## Show Planned At VA Hospital

Fifteen Teen Talent Troupe members and their director, Mrs. Fred Swank, and the assistant director, Mrs. James Olson, will travel to Iron Mountain Friday evening where they will present a show at the Veterans Hospital. The troupe's trip will be sponsored by the American Legion.

Presenting a show to the hospitalized veterans will be the following teenagers with their selections: Dick LaPalm, vocal and guitar solo, "No Teardrops Tonight"; Carol Valind, pantomime artist; the teen age band, composed of Gary Guertin, Ray Roy, Dick LaPalm and Lloyd Sodergren, "Just Because"; Dennis Wendt and Joy Peterson, polka, "Just Because"; Mary Baker and Jackie Peterson, vocal duet, "Mission of St. Augustine"; and Dennis Wendt and Carol Valind, jitterbug, "In the Mood".

Harley St. Ours and Bob Vachon, comedy act, "Dizzy Double"; Neil O'Donnell, vocal solo, "Old Man River"; Joy Peterson, interpretive dancing, "Miss Rhythm"; Dick LaPalm will call the "Hokey Pokey" with music by the teen band; Sharon Collins, accordion selections; Dennis Wendt, vocal solo, "Wanted"; and Dick LaPalm, vocal and guitar solo.

Jeanne LaBranche, vocal solo, "Indian Love Call", accompanied by Carol Valind; teen band, several selections; Joy Peterson, dance, "Shadow Beat"; "Bunny Hop" by the entire cast, and the grand finale, "Heart of My Heart" by the entire cast.

## Upper Peninsula Briefs

**IRON MOUNTAIN**—Arrival of a two-place observation-type monoplane for use by the Dickinson county squadron of the Civil Air Patrol was announced by Don Nemeth, CAP commander, at a meeting Wednesday night at the Ford Airport.

**SAULT STE. MARIE** — Sault residents are learning this week where they will vote under the city's new system of precincts. Cards are being mailed to 8,246 persons carried on the master registration list in the office of City Clerk Dana K. Strickland, telling them what precinct they have been assigned to, and where they will vote in the new 17-precinct system.

**ST. IGNACE** — The Mackinac County Allocation Board set the final millage rates at a meeting held at the court house in St. Ignace on Monday, May 10. The county rate was set at eight mills.

**HURLEY** — Ordinances making it unlawful for minors to enter taverns or for tavern operators to permit them to remain on the premises were adopted by the Hurley City Council at its regular monthly meeting Tuesday night. The ordinances will become effective upon publication. They provide for the levying of fines or jail sentences for persons convicted of violating the ordinances.

**CRYSTAL FALLS** — Voters of Iron county may be called upon this year to approve a mill for a proposed addition to the county hospital. The county social welfare committee, headed by Chairman Schewe, discussed the matter at the May meeting of the board of supervisors yesterday. He declared more space and beds are needed at the county hospital.

## Lions Meeting At Rapid River

A Lions club zone meeting and social will be held at Rapid River this evening, beginning with a dinner at 7:30 o'clock. Leo Godin is the zone chairman. Zones, included in this area, are Gladstone, Cornell, Perkins, Rock and Rapid River.

China, Japan and Korea use little milk.

## Warm Weather Will Continue

Bright sunshine and the nearest approach to balmy breezes Escanaba residents have enjoyed for many months is prevailing today and according to S. E. Decker, of the Escanaba weather bureau, even better weather is the prospect for tomorrow.

Yesterday's temperature reached a high of 58 which declined to 39 early this morning. By 9 a. m. the temperature had reached 55 and will very likely reach yesterday high by early afternoon. A breeze off the lake from the south has tended to keep temperatures cooler than inland districts, where a difference of about 10 degrees is noted.

Tomorrow's prediction is partly cloudy and warmer.

## Show In June At Marinette Planned By Rabbit Raisers

MARINETTE — Anthony Delfosse of Bay de Noc Road, Menominee, is the new president of the Wisconsin-Michigan Rabbit Club.

Other officers named at a recent meeting were William Desjarlais, Marinette, vice-president, and E. O. Schoenebeck, Marinette, secretary and treasurer.

The club is making plans for a Twin City rabbit show at Marinette City Park in June.

Any rabbit raisers interested in raising rabbits for commercial sale at Twin City stores or who are seeking markets for rabbits are invited to join the W-M Rabbit Club which grades rabbits for market.

## Obituary

**GEORGE HOFFMAN**  
Funeral services for George Hoffman will be held at 9 a. m. Friday at St. Joseph's Church with burial in Holy Cross Cemetery. The rosary will be recited at 8 tonight at the Boyce Funeral Home Chapel.

## Schaffer

**Briefs**  
SCHAFFER—Dinner guests at the Eli Taylor home Wednesday evening were Fr. Julien Rousseau, O. F. M., of Gallup, N. M.; Mrs. Anna Rousseau and Arthur, Detroit; and Mrs. Elizabeth Riedy and Herman Erickson, Escanaba. The Powers-Spalding and Hermansville Lions club members and their wives enjoyed a Mothers Day banquet at Potvin's Fireside Room Monday evening.

Guests at the Louis Butryn home last week were John Panek, Detroit; Mr. and Mrs. Walter Petroski, Wyandotte, Mich.; Mr. and Mrs. Ed Stevens and children, Gladstone, and Louis Barr and daughter, Linda, Iron Mountain.

## Dr. E. C. Beck Is Commencement Speaker At Rock

DR. E. C. BECK

ROCK—Dr. E. C. Beck will be the commencement speaker at the Rock High School May 20 at 8 p. m.

"Doc" Beck, as he is fondly called by his many acquaintances, is immediate past president of and winner of the 1954 distinguished teacher of Michigan award.

The genial Ph. D. is probably best known for his books on the Great Lakes lumberjacks and by his folklore programs that have taken him to twenty odd states and three Canadian provinces. He has handled woods programs at top radio stations in all big cities from St. Louis to New York. He was on TV when he emceed the lumberjacks program at Soldier's Field in Chicago a year ago.

Dr. Beck, with degrees from Peabody, Nebraska, and Harvard, is a very popular commencement

## Dean Berthiaumes Attend Services For Oscar Nordby

Mr. and Mrs. Dean Berthiaume, 1520 N. 18th St., returned Tuesday from Yakima, Wash., where they were called earlier in the month by the serious illness of Mr. Berthiaume's maternal grandfather, Oscar Nordby, who died May 5.

Mr. Nordby was a former resident of Woodlawn and was well known in this area. He leaves his sister, Johanna Nordby of Oslo, Norway, the one grandson, and one great grandchild, Carole Berthiaume.

Funeral services were held in Yakima May 7 and burial was in Hudson, Wis.

## Briefly Told

**Immunization Clinic**—An immunization clinic will be held Friday, May 14, from 1 to 3 p. m. at the Webster annex.

## Rites Friday For Mrs. R. Scheffler, Stephenson Matron

STEPHENSON — Mrs. Robert Scheffler, 67, of Stephenson died Wednesday morning in her home of a heart ailment.

Mrs. Scheffler was born July 8, 1886, and moved to Stephenson in 1919.

Survivors are her husband, whom she married March 27, 1910 and one son, Ralph, of Escanaba, and one grandson.

Funeral services will be held at 8 p. m. Friday in the Strandt Funeral Home, Daggett, with the Rev. Irvin Piell officiating. Burial will be at 2 p. m. Saturday in the Wisconsin Memorial Cemetery, Milwaukee.

## EHS Seniors Elect 'City Council' In Government Study

Escanaba High School seniors today will elect five of their number to the "city council" as part of a practical study in municipal government, which will result in the students "taking over the city" on May 19.

Thirteen candidates for the city council, the largest number in several years, yesterday presented speeches in their campaign for election. Following today's election the "council" will meet tomorrow to begin organization leading toward "taking over" city government for one day.

Miss Nina Ley, Senior High School government and journalism teacher, supervises the muni-

## Bishop Elected From Grosse Ile

DETROIT (AP)—Shattering more than a century of tradition, the Rev. Archie H. Crowley, rector of St. James Episcopal Church of suburban Grosse Ile, has been elected suffragan bishop of the Episcopal Diocese of Michigan.

Rev. Crowley, 47, rector of the Grosse Ile church since 1949, is the first priest from the diocese in 121 years ever elected to serve Michigan Episcopalians. It has been traditional for priests outside the state to be elected to diocesan posts.

He succeeds the Rt. Rev. Russell S. Hubbard as assistant to the Rt. Rev. Richard Emrich, Episcopal bishop of Michigan.

Leading from the first ballot Wednesday, Rev. Crowley was elected on the fourth. Clergy and lay delegates throughout Michigan participated in the election at St. John's Church in Detroit. A move to make the election unanimous was approved enthusiastically.

Date for his consecration has not been announced.

## Two Candidates In Brampton Election

Two candidates seek election on Brampton Township School Board, which will be held June 14.

The candidates are Florence Constantino of Brampton and Raymond Tackman of Kipling, Gladstone RFD, 1. Both are incumbents seeking reelection, each having served a three year term.

There are two vacancies to be filled this year for the positions of trustees.

All nomination petitions must be filed not later than May 15 at 5 p. m. with secretary Gordon Hutte of the Brampton Township School Board.

## Brieffly Told

**Theft Reported**—Ray Robitaille, 411 S. 15th St., has reported to police that a tire and wheel were stolen from his auto while it was parked in the rear yard at his home.

**Motorists Ticketed**—Escanaba police have issued traffic violation tickets to the following motorists: Paul Dubord, 1818 8th Ave. N., disobeying stop sign; Albert Auger, 1431 Washington Ave., disobeying stop sign; and J. W. Parker, 1344 1st Ave. S., disobeying stop sign.

**Plans Vacation**—S. E. Decker, meteorologist in charge of the Escanaba Weather Bureau, will leave with Mrs. Decker about the end of the week on an extensive vacation. He plans to be gone for five weeks. S. W. Kipper, of Milwaukee, will have charge of the station during his absence.

**Fine Reckless Drivers**—Gerald DeShampo, 18, of 1629 Sheridan Rd., and Leonard J. Ford, 17, of Gladstone Rte. 1, today pleaded guilty in Justice Caroline A. Nyström's court to charges of reckless driving and were ordered to pay fines of \$25 and \$5.35 court costs each. Their operator's licenses were revoked for 30 days. The court suspended the fine and required only payment of costs. Escanaba police arrested the two youths after they had raced their cars abreast on Ludington St. Wednesday noon.

## Munising Funeral Home Changes Hands

MUNISING—William W. Bowerman II and Richard D. Hallifax, Munising funeral directors have purchased the stock and equipment of the former Beaulieu Funeral Home and have formed a partnership which will be named the Bowerman-Hallifax Funeral Home. The new business will be conducted from the present Bowerman Funeral Home address on East Superior St. which was constructed in 1951.

## Wall Street

NEW YORK (AP)—The stock market rushed ahead today with vigor and then backed away from its best.

At the best, prices were up between one and two points. Later, however, gains patted a point were rare. Small losses dotted the list.

Trading hit a fast pace equal to about 2½ million shares for the day, compared with 2,210,000 shares traded Wednesday.

Among higher stocks were Bethlehem Steel, United Aircraft, Anaconda Copper, American Cyanamid, International Business Machines, and Illinois Central.

U.S. government bonds were easy.

## Blondie

## IN THE HOME WORKSHOP

This set of matching pieces was designed for the utmost in economy and ease of construction. The various parts are all stock dimensions to be found in the nearest lumber yard. A common hand saw is all that is needed to cut the pieces to size as they are all straight cuts. The use of a pattern showing the amount of lumber to buy in each width and the angles of the saw cuts will prevent waste of material in sawing the members ready for assembling. This calls for a hammer and nails, nothing else except a little paint to seal the joints. The backs are removable units. The numbers in the sketch are 25c each and will be included in the Lawn and Garden Furniture Packet of five patterns for \$1.

## Highway Bond Issue Rejected By Legislators

(Continued From Page One)

makers would give the governor short shrift at a conference Williams sought for this morning with legislative leaders.

Williams has criticized as "inadequate" the Legislature's decision to build a 600-man prison at Ionia. He has advised the State Corrections Commission to pick up \$43,000 left over from 1953 planning money and plan a 1,200-man prison, probably in Livingston County.

The House refused to override Gov. Williams' vetoes of bills outlawing milk fortified with anything other than vitamin D and requiring popular votes on tax exemptions for public housing projects.

Sponsors of the measure outlawing fortified milk put up a vigorous battle for the two thirds necessary to override but the 57-35 vote was 10 short. Three Republican members joined the Democrats in voting against overriding.

Sponsors of the other measure made no attempt to force the veto to a vote. They moved successfully that the bill be laid on the table for automatic death.

## Little Girl Smothers In Accordion Case

DETROIT (AP)—A little girl missing for 14 hours was found suffocated today in an accordion case in her suburban Farmington township home.

The body of 2½-year-old Carol Timte was discovered by her mother after more than 200 searchers had combed the neighborhood and dragged two lakes.

State police said the youngster apparently had crawled into the empty accordion case while playing on the living room floor. The lid fell and locked.

Mrs. Timte, who wears a hearing aid, never heard the child's muffled struggle although she was in the next room preparing supper.

Bears hibernate in winter months in temperate regions because they are unable to obtain food.

## Garbage Disposal:

# Sanitary Landfill Method Demonstrated Here Today

Sanitary methods of disposing of city garbage, to the benefit of public health and in raising the levels of public lands for a variety of uses, was described to representatives of Upper Peninsula cities at a meeting and demonstration today in Escanaba.

About 50 persons attended the morning session in City Hall and a larger number viewed the demonstration of the sanitary landfill method of garbage disposal held this afternoon at 19th St. and 14th Ave. S.

R. L. Johnson, Michigan Department of Health engineer in the Upper Peninsula, presided at the program meeting in City Hall.

Participating in the program were Ray H. Elbi, Upper Peninsula representative of the Fruehauf Trailer Company, who presented an illustrated discussion of

## Emile Brault Of L'Anse Dies, Rites There Tuesday

Emile Brault of L'Anse, a former resident of Escanaba and Perkins, died at Baraga Memorial Hospital in L'Anse May 9. Funeral services were held May 11.

Mr. Brault was born in Coleman, Wis., May 31, 1883.

He is survived by three daughters and two sons, Mrs. Iola Stephens of Roseburg, Ore., Mrs. Perley Way of Cornell, Mrs. Raymond Rogalla of Reed City, Mich., Eli Brault, Riverton, Ore., and Harry Brault, Post Falls, Idaho; three brothers, Lucian Brault, New London, Wis., Fred Brault of Green Bay and Arthur Brault, Jefferson, S. D.; and two sisters, Mrs. Edward Martin of Milwaukee and Mrs. Mose Rousseau of Green Bay; and two grandchildren, Nancy Way, Cornell and Edward Rogalla, Reed City.

While in Green Bay, the students will visit WBAY, Green Bay's television station, will view Captain Hal's show and will visit the museum, the Northern Paper Co. and other businesses of the city.

Funds for this trip are earned by the children themselves from the proceeds of candy and popcorn sales and the sale of greeting cards. The children also wrote the letters to the various business places and made their arrangements for the day.

The Wells Township school bus will bring the students to the depot.

## Pine Ridge School Children Plan Trip To Green Bay Friday

Twenty seven children of the sixth, seventh and eighth grades of the Pine Ridge School with five mothers, chaperones, will leave tomorrow morning by train for Green Bay where they will spend the day. Mrs. Cleve Moore is their instructor at the school.

While in Green Bay, the students will visit WBAY, Green Bay's television station, will view Captain Hal's show and will visit the museum, the Northern Paper Co. and other businesses of the city.

Funds for this trip are earned by the children themselves from the proceeds of candy and popcorn sales and the sale of greeting cards. The children also wrote the letters to the various business places and made their arrangements for the day.

The Wells Township school bus will bring the students to the depot.

## Chicago Prices

CHICAGO BUTTER—Butter, steady; receipts 1,966,331; wholesale buying prices unchanged; 93 score AA, 56.75; 92 A, 56.75; 90 B, 54.25; 89 C, 52; cars: 90 B, 54.75; 89 C, 53.

CHICAGO EGGS—Eggs, steady to firm; receipts 26,166; wholesale buying prices unchanged to 1 higher; U. S. large, 34 to 35.5; U. S. mediums, 31; U. S. standards, 31.5; current receipts, 29.5; dirties, 29; checks, 28.

CHICAGO POTATOES—Potatoes: Arctics 7; on track 161; total U. S. shipments 1,136; old stock supplies light; demand good; market slightly stronger; Idaho russets, \$2.25 to \$2.35; new stock supplies light; demand good; market stronger; Alabama triumphs, \$4.65 to \$4.80; California long whites, \$5.15; round reds, \$4.65.

## Wall Street

NEW YORK (AP)—The stock market rushed ahead today with vigor and then backed away from its best.

At the best, prices were up between one and two points. Later, however, gains patted a point were rare. Small losses dotted the list.

Trading hit a fast pace equal to about 2½ million shares for the day, compared with 2,210,000 shares traded Wednesday.

Among higher stocks were Bethlehem Steel, United Aircraft, Anaconda Copper, American Cyanamid, International Business Machines, and Illinois Central.

U.S. government bonds were easy.

## Blondie

the packer type of garbage pick-up. Frank Young of the Brener Machinery Company, whose topic was the use of tractor equipment in sanitary landfill; and W. K. Berglund, Bark River Culvert and Equipment Company, who presented a film and discussion.

Fred B. Kellow of the Michigan Department of Health led a group discussion of sanitary landfill method of disposing of garbage early this afternoon prior to the field demonstration.

Basically, the sanitary landfill method of garbage disposal is the use of earth moving equipment in burying garbage daily beneath a layer of earth. The garbage is compacted, covered, and a two foot layer of soil prevents odors from escaping and vermin from infesting the area. The cost of hauling to a distant open garbage dump is reduced.

The area required is small, only one and one-half acres for each 10,000 population, it was reported. By eliminating rats and flies there is removed a definite threat to public health.

## Benefit To Citizens

Cities using the sanitary landfill method of garbage disposal range in size from a few hundred population to the city of New York. Many cities use the method to build up marshy lands, create fill for parks and playgrounds, and even for private use. Parts of some cities have been built over areas where garbage has been buried.

At Jackson, Mich., the city has extended the runways at its airport by raising the ground level through the method of sanitary landfill. The cost was lower than it would otherwise have been and the city derived benefit from the sanitary disposal of its garbage.

The method has been in use in some cities for 20 to 25 years, speakers reported. It has been generally accepted by the public because it results in the elimination of unsanitary open dumping grounds or the odor and smoke of incinerators.

Primarily an earth moving operation, the meeting and demonstration were attended by representatives of machinery distributors, and the demonstration utilized machines loaned for the occasion by their manufacturers and distributors.

## LITTLE LIZ

A nervous breakdown is a condition brought on by trying to do today's work and tomorrow's worrying at the same time.

## Eisenhower Regime Reactionary, Union Told By Truman

(Continued From Page 1)

government should not try to "weaken collective bargaining by repressive labor legislation."

5. Expansion of unemployment insurance to provide broader coverage, payments for a longer period, and larger benefits. He said the administration program consists merely of exhorting the states to do what everybody knows they will do without federal action.

6. A vastly expanded housing program, including federal leadership to double the annual rate of home building as rapidly as possible. He said the administration goal of a million houses a year is about equal to the number of houses built in 1925.

"The Republican orators told us in 1952," the former President said, "that they were going to cure the world situation, and achieve peace, and slash defense. They said they were going to give us real peacetime prosperity."

"Well, they haven't been very successful at it."

"The world situation is just as critical and dangerous as it ever was, if not more so. Obviously, a change of administration here does not change the problems of Asia and Europe or the minds of men in the Kremlin."

"And instead of having peacetime prosperity, the Republicans have given us a recession."

U. S. fur farms produced about 2½ million mink skins in 1953.

## LOST 110 POUNDS Muskegon Lady Likes Rennel

Be it 10 lbs. or 110 that you need to lose Rennel accepts the challenge to be your kind of reducing aid. Rennel users choose wisely and results usually follow in an orderly manner. Mrs. A. J. Nagel, 930 Wilson Avenue is grateful indeed for Rennel results. She writes, "I have used your product, Rennel Concentrate, for some time and it has helped me a great deal. Before taking Rennel I weighed 290 lbs. and had high blood pressure. Now I feel so much better for I have

lost 110 lbs. At 180 lbs. I feel like a million. It used to take me all week to do a days work. Now, thanks to Rennel, I have all my work done before the week is half over."

You can make Rennel work for you. Ask your druggist for four oz. of liquid Rennel Concentrate. Satisfaction guaranteed with the first bottle or send to manufacturer for refund. Ask for free booklet, "How to Eat Plenty and Lose Weight." Price \$1.40. Insist on Rennel.

## Dockers' Union Fined \$92,500

NEW YORK (AP)—Fines totaling \$92,500 have been added to the woes of the old International Longshoremen's Assn., now locked in a life struggle for control of dock workers in the Port of New York.

The fines, plus jail sentences for three ILA local officials, stem from March 5 to April 2.

They were imposed Tuesday night by Federal Judge Harold P. Burke shortly after a jury decided the union had violated a no-strike injunction and was guilty of criminal contempt.

The penalties were far less than those asked by the National Labor Relations Board, which brought court action against the Union. The board asked a \$25,000 fine for the parent ILA for each day of the month-long strike and \$100,000 fines against eight of its locals.

Defense attorneys announced they would appeal the case today.

The strike flared up in the midst of tense rivalry between the old union, which had long held firm control over dock workers, and a new ILA set up by the AFL. Overthrow of the old ILA was sought by the AFL after it kicked out the union and revoked its AFL charter last September on grounds that it was dominated by racketeers.

An NLRB bargaining election last December between the two unions was voided because of strong-arm tactics by the old ILA, and a second vote had been set for May 26.

## Japanese Like Fads

TOKYO (AP)—Japanese screen and stage stars, and just plain 'teen-agers, are adopting in droves the "run-away lawnmower" hair style of actress Audrey Hepburn. Miss Hepburn's film "Roman Holiday" is appearing in Tokyo. Last month, fad-conscious Japanese girls rushed to buy spectacles just like Marilyn Monroe's in her film, "How to Succeed in a Minute."

## Grand Marais

### Conservation Program

GRAND MARAIS—Conservation students of Grand Marais High School participated in a tree harvest program recently under the direction of Mr. Hansen, conservation instructor and with the assistance of several interested adults from town.

The students cut 1500 bd. ft. of jack, Norway and white pine. Over 30 students and adults took part in the program. The students furnished the hand tools used in the project and the heavy equipment was donated by other individuals.

Floyd Tester supplied the truck used for hauling the logs and also donated the service of his mill for sawing them. Vernon Newberg supplied the power saw used in cutting large trees. Clyde Lambert, conservation officer, furnished the jeep used for skidding logs. Ray Barney, William LaCombe and John Mattson, Conservation Department, supervised the logging operations. The girls in the class assisted by Mrs. Hazel Block prepared the noonday meal.

The students performed all the tasks necessary for good forestry including determination of school forest boundaries, selection of trees, estimation of stumpage, felling of trees, loading, scaling, and the making of a cost record. The purpose of this field day was to demonstrate good management of forest resources especially in regard to the utilization of mature timber. The Grand Marais School owns one of the largest school forests in the state. It includes over 1300 acres of timberland and cutover land.

Next week the students will plant trees and practice erosion control on the Sucker River which runs through the school property.

### Women's Club Meeting

The Grand Marais Women's Club entertained members and their guests with a Mother's Day program in the High School Auditorium.

The program was: Opening hymn, duet by Mrs. Willard Handrich and Mrs. Emerson Bontraeger; reading of "The Famous Mother" by Hilda Peterson; vocal solo, "That Wonderful Mother of Mine" by Rhea Ostrander; poem, "My Mother's Prayer," by Mrs. Levi Mueller; piano solo "A Remembered Kiss" by Mrs. Claude McLean; address by guest speaker, Mrs. J. Willis; vocal solo "Mother" by Mrs. Blake Towle.

The table was decorated in pastel shades of yellow, pink and green. Crystal candle holders with long tapered candles in yellow and white with a "Mother" cake served as the centerpiece. Those assisting with table decorations were Mrs. Louise Kerrigan, Mrs. Herman Pettipren, Mrs. Claude McLean and Miss Hazel Rathka.

Gifts were given to the oldest mother, Mrs. Matilda Thomas and each guest on the entertainment program.

### Basketball Benefit Banquet

GRAND MARAIS—The basketball benefit banquet in honor of the Grand Marais team, sponsored by the Home Art Extension Club, was attended by a large crowd Saturday evening.

The evening's entertainment consisted of the following: Welcome by Donald Hendrick, sponsor; talk by Supt. Vernon Maurer; resume of year's work in basketball and an introduction of the players by Coach Martin Hansen; response by the team's captain, William (PeeWee) MacDonald; songs by a men's chorus: Bob Erickson, Bob Niemi, Bill McDonald, Axel Niemi, Vernon Newberg, Sidney Hermanson and Emerson Bontraeger, director; instrumental by Pat Touzel, clarinet, Bob Niemi, clarinet and Sidney Hermanson, saxophone; saxophone solo by Sid Hermanson, accompanied by Mrs. Vito Mixon.

The tables were decorated in blue and white the team colors, with the main table centered with a miniature basketball court and small polar bears, representing the players. Place cards which were

## Theft Suspect Found Hiding, Near Starvation

CINCINNATI, (AP)—An emaciated, bearded, begrimed man found hiding on the second floor of a furniture warehouse here has

turned out to be a former bank examiner, sought since April 10 for jumping bail on a burglary charge, police said.

The man, George Hampton Simpson, 41, was taken to General Hospital. Police said he was near starvation.

**Cadillac**

**The "Stranger" Everyone Knows!**

The big car eases out from the boulevard and comes to a soft, silent stop. A man steps out from behind the wheel and heads for his destination.

The license plate reveals him to be a person from another state—a "stranger," so to speak.

But the golden crest on the hood of his motor car tells everyone something about him. For it is the famous crest of Cadillac—and no man is wholly a stranger, wherever he be, when he drives this distinguished car.

Any owner can tell you, out of his own personal experience, that a Cadillac is a virtual "letter of introduction" for the man who sits at its wheel.

He becomes, in a sense, the "stranger" everyone knows—a member of the most distinguished motoring fraternity in all the world.

This priceless aspect of Cadillac ownership is but

one of the many rewards which come to the owners of Cadillac cars.

In fact, it might even be considered an extra dividend—for it comes in addition to the car's great and distinguishing beauty . . . its brilliant and inspiring performance . . . its magnificent comfort and luxury . . . and its remarkable economy of operation.

As a matter of fact, it would be a formidable task to recite even a basic portion of Cadillac's cardinal virtues for 1954—for the car is superlative in every respect and has been markedly advanced in every phase of appearance and operation.

Of course, it would take only an hour on the highway to understand what it all means in terms of pleasure and satisfaction—and that's why we suggest that you come in and see us—soon.

Why not make it today?

### Achievement Day Program

The Chatham Homemakers Extension Club at a meeting held Monday evening in the home-making room of the high school made plans for participation in the Alger County Achievement Day program to be held in the near future. All county homemaking clubs will contribute.

### Briefs

Mrs. Earle Brown and Mrs. Edwin Pelki visited in Gladstone at the Emerson Brown home.

Mr. and Mrs. James D. Moore have returned to their home at Au Train from Florida, where they spent the winter months.

Residents of this area were confronted with a 12 inch fall of snow when they awoke Sunday morning. Many robins and other birds that had returned from the South had their natural food entirely blanketed by it over the weekend. That, along with the low temperatures that prevailed, caused many

of them to perish. When the thaw came Monday, many dead birds were found.

Mr. and Mrs. Larry Barber visited Miss Alta Gabourie of Atlantic Mine at St. Mary's Hospital in Marquette Sunday evening.

Mrs. Hilda Trelford and Mrs. Ida Thorsen visited in Munising Sunday.

Elroy Backman of Ishpeming visited friends in Chatham Sunday.

Mr. and Mrs. Toivo Kallio, Mrs. George Kallio, and Mrs. Fred Lemm visited in Munising Sunday.

Joseph Mayotte of Munising visited at the Earle Brown cottage at Au Train Sunday.

Jalmer Haavisto is a surgical patient at the Ford Hospital in Detroit.

Ronald Haavisto, who has been employed at Sault Ste. Marie has returned to his home at Eben.

Mrs. Eno Lindfors visited in Marquette Monday.

Leonard Akkala of Pontiac, who arrived last Wednesday to visit at the home of his parents, Mr. and Mrs. John Akkala of Eben, and at

the home of his brother, Ray, of Chatham, returned to his home Monday.

Mrs. Oscar Johnson and Mrs. Larry Barber transacted business in Munising Monday.

Mr. and Mrs. Kalle Wananen of Treenary visited at the home of Mr. and Mrs. Reino Akkala Sunday.

Mrs. Byron Braamse of Escanaba visited in Eben Wednesday.

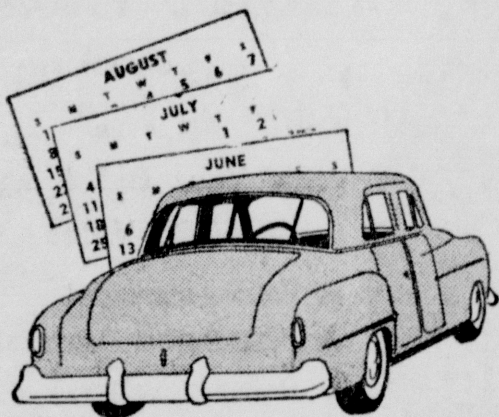

William Salo, who has been a patient at Morgan Heights Sanatorium in Marquette, has returned to his home at Eben.

Mr. and Mrs. Arne Dunquist of Rockford, Ill., spent a few days at the home of Mr. and Mrs. Vern Dunquist.

Mr. and Mrs. Allan Norden and family visited at the home of Mr. Norden's parents, Mr. and Mrs. Emil Norden of Perkins Saturday.

Mr. and Mrs. Dean Hoffenbacher, Mrs. Blanche Parker, and Merrill Frouney, all of Marquette visited at the home of Mr. and Mrs. Earle Brown at Eben.

Mrs. Larry Barber and Mrs. Richard Williams visited in Marquette Tuesday.

## Three Alabamans Held For Slavery

BIRMINGHAM, Ala. (AP)—Trial of three white brothers on charges of holding Negro farm hands in slavery resumed after similar peonage indictments of three others were dismissed by a federal court.

Those against whom the charges still are pending are Oscar Edwin Dial, 34; Fred N. Dial, 25; and Grady Dial, 28, brothers who operate a large farm west of Livingston, Ala. near the Mississippi line.

U. S. Dist. Judge Seybourn H. Lynne dismissed cases against Robert Dial, 44, brother of the other three; and two cousins, Arthur Arnold Dial, 27, and Lindsay Winyard Dial, 43.

The court took the action on recommendation of U. S. Dist. Atty. Frank Johnson Jr., who said he felt the evidence insufficient to convict the three.

All were indicted by a federal grand jury last fall on charges of paying fines of Negro prisoners in nearby jails in Alabama and Mississippi holding the Negroes in servitude on their farms and beating them if they attempted to escape.

## Nahma

### Ricky's Party

NAHMA—Ricky Schafer celebrated his sixth birthday anniversary with a party at his home Saturday afternoon. Games, with prizes won by Roseann Sargent and Sharon Hebert, were enjoyed by the children. A blue and white cake centered the table when refreshments were served. The children presented Ricky with gifts. At the party were Kay and Ann Turek, Sharon Hebert, Mary Beth and Roseann Sargent, Peter Moore, David Beauchamp, Tommie Miron, Marsha Stupak, Kathy Hanson, Joan Sefcik, Christine Cook and Harlan and Chuckie Fisher.

### Briefs

Mr. and Mrs. Allen Mercier Jr. of Beaton Harbor are the parents of a daughter born May 4.

Mr. and Mrs. Ed Segerstrom of Kalamazoo announce the birth of a son May 11.

Gene Hartman has returned to Anderson, Ind., after a weekend visit here with his family.

Mr. and Mrs. Gerald Turek and daughters and Steve Yombik of Royal Oak spent the weekend at the John Turek home. On their return they were accompanied by Beatrice Turek.

Mr. and Mrs. Frank Bushey of Milwaukee were weekend visitors at the home of Mr. and Mrs. William Rogers.

Mr. and Mrs. Herb Blowers and Hazel and Jimmy of Anderson, Ind., are spending a week at their home here. Jimmy, who is with the U. S. Air Force, is on furlough.

Robert Ritter, Floyd Anderson and Mrs. Wallace Bennette left Sunday for Anderson, Ind., where they will be employed.

## Hyde

HYDE—Visitors at the home of Mr. and Mrs. Russell Beauchamp were Mr. and Mrs. Albert Lippen, Mr. and Mrs. Wilfred Beauchamp and Mr. and Mrs. Pamphil Depuydt of St. Nicholas.

Mr. and Mrs. Paul Cole and family of Gladstone were guests of Mr. and Mrs. Louis Johnson Sunday.

Henry Posenke is a medical patient at St. Francis Hospital.

Dolores Dahlke had high score in games at the Kasten PTA party held at the school. In 500 Mrs. Norm Dahlke, Mrs. Louis Johnson, Mrs. George Cholger, Mrs. Gerhard Bittner, Mrs. John Pecor and Earl Porath received the awards. Lunch followed the games.

### Stephenson Scout Awards Given At Lions Club Dinner

STEPHENSON—The Stephenson Lions Club at its regular meeting Monday evening May 10, entertained the three local scout units at a pot luck supper in the Stephenson High School gymnasium. It was ladies night and parents of the Scouts were present. Eber Carlson, the local Explorer Scout Master acted as toastmaster for the evening.

The honored guests were: Mark Kronauer, Scoutmaster, Troop 78; William Evans, Skipper Sea Scout 572; Douglas Kindschy, assistant Scout executive; Art Lingerin, Scout executive; Michael Anuta, executive board member; A. U. Sterns, Council commissioner; Roy Powlowski, district commissioner; Howard Nadeau, executive board; William Gerber, Explorer commissioner; Richard Vandersluis, county chairman Boy Scouts; the Rev. Leslie Larson, pastor of St. Stephen's Lutheran Church.

The main event of the evening was presentation of the Eagle Scout Badge to Edward Kerwell. The presentation was made by Mr. Anuta, who in turn gave Edward's mother the honor of pinning the badge on her son. Edward was given a miniature badge to present to his mother. Dr. Kerwell presented Edward with his Eagle certificate.

Other awards were: First Class Scout, David Walker; Second Class Scouts, Victor LaMontagne, Gerald Capparet, Edwin Schmidt; presented by William Gerber.

Life Scout, Archie Roberts, presented by A. V. Stearns.

Star Scout, Leslie Palzewicz, by Richard Vanderluis.

Bronze Palm, Wayne Carlson, by Roy Powlowski.

30 year award, Michael J. Anuta, by Art Lingerin.

#### Merit Badges

1. Archie Roberts—Horsemanship; Corn Farming; Citizenship in the Nation; Citizenship in the Community; First Aid; Surveying; and Nature.

2. John LaMontagne—Home Repairs; and on May 5th the Ad. Altare Dei Medal.

3. David Walker—Woodwork; Woodcarving; and Home Repairs.

4. Leslie Palzewicz—Home Repairs; First Aid; and the Ad. Altare Dei Medal on Wednesday, May 5th.

5. Edward Kerwell—Nature; Fishing; Camping; World Brotherhood; Citizenship in the Nation; Citizenship in the Community; and the Pro Dea Et Patrie.

6. Wayne Carlson—Citizenship in the Nation; Citizenship in the Home; Bookbinding; and Scholarship. These awards were presented by Howard Nadeau of Menominee, Mich.

Alex Halvorson came from Marquette to see Edward Kerwell get his Eagle Award. Alex transferred from Stephenson to the Marquette Scouts in March.

Robert Palzewicz and Edward Laurin received their Tenderfoot Badges.

Second Class Scouts Badges were awarded to the following: Phillip Anhalt, Billy Johnson, Dan McNeal, Jerry Lynch, Paul Rivaard, and Tom Salp.

### Gulliver

Mrs. C. F. Smith is a patient at Memorial Hospital.

Mr. and Mrs. Peek of Chicago are spending a few days at their summer home on Gulliver Lake. Mrs. Walter Anderson is a medical patient at Memorial Hospital. Her condition is critical.

Mrs. Stella Paul spent last week in Chicago.

The Gulliver Community Club meeting was held on Wednesday May 5 at the Whitehead School. C. Thorell, Edwin Johnson, Leonard Johnson, Fred MacGregor and Fred Watson built a chimney on the Community building and James Rodgers is to make arrangements to have pews moved from the chapel at Manistique to the building here. Volunteer laborers to complete the foundation for this building are asked to help complete the quarters. Hostesses for the evening were Mesdames Robert Rice and Clifford Smith. The next regular meeting will be held on Thursday June 3. Hostesses will be Mesdames Fred MacGregor and John Rodgers.

Mr. and Mrs. Byron Courter of Inlay City spent a few days at their cottage on Gulliver Lake.

The next regular meeting of Birthday Grange will be held on Thursday, May 20 at the Grange hall.

Mr. and Mrs. Joseph Zenas and daughter Carole of Detroit arrived here on Thursday. They spent a few days at Bruce Crossing with relatives and friends and returned to Gulliver on Saturday.

A group of young people of the Reorganized Church of Jesus Christ of Latter Day Saints attended a District Youth Conference at Sault Ste. Marie, Ont., May 7-8-9. The group included Ruth Beckman, Gloria Brook, Lois Carolyn and Dick Nelson, Jessie Rosenbush, Agnes and Art Watson. They were accompanied by Miss Crystelle Reid and Elder Les Gardner visiting missionary from Australia. A full and interesting program of recreation, study and worship was enjoyed by the young people.

More people get more news from newspapers than from all other sources combined.

## Gospel Ship Set Afire At Straits

SAULT STE. MARIE, Mich. (AP)—The barge Alva, last of the historical Great Lakes gospel ships, struggled against death by fire for six hours Tuesday before she sank to her Straits of Mackinac grave.

The craft's long career began with her operation as the gospel ship, Glad Tidings, under Capt. Henry Bundy. In 1907 she was converted to a passenger ship by the Arnold Transit Lines and plied the St. Marys River between Sault Ste. Marie and DeTour.

She was retired in 1938 and used as a barge.

Idled for the past four years, the Alva became part of the Mackinac Bridge celebration when the government authorized her sinking.

The vessel was towed three-quarters of a mile east of Mackinac Island, loaded with combustible material, saturated with oil and set afire.

Passing freighters slowed, airliners circled overhead and observers on shore made up her funeral cortege. But fire alone couldn't sink the Alva.

The Troquois, which towed the condemned vessel into the Straits, rammed the burning hulk several times but failed to sink it. An attempt to pull the barge apart with chains was ineffective.

Two men in a small boat failed in their attempt to chop holes in her plates with a fire ax. A high-powered Coast Guard boat sped past the barge causing it to rock and take water.

The Coast Guard craft also pumped several thousand gallons of water into the burned out metal shell which finally slipped under the surface more than six hours after she was set afire.

## Former Union Leader Named Newark Mayor

NEWARK, N. J. (AP)—Newark voters re-elected Leo P. Carlin, 45-year-old former AFL union leader, as mayor Tuesday.

The election was the first in 37 years to give voters in New Jersey's largest city the chance to pick a mayor directly. The city had been governed by a five-member city commission since 1917, with the commissioners selecting a mayor from among their own ranks.

Now Newark has a new mayor-council type government, approved by voters in a referendum last November.

Carlin is a Democrat. Both his opponents are Republicans.

leave, he will leave for Goose Bay, Labrador for a six months period. Pvt. Martin entered the service in November 1953, and he received his first eight weeks of basic training at Ft. Leonard Wood, Mo.

## GOOD FEEDING

by AL JOHNSON

**NORTHERN FLOUR & GRAIN**  
ESCANABA, MICH.

**THE START** is everything in raising chicks! Many chicks are lost because some chicken raisers feel that anything is all right at the start. The first six weeks after hatching are the most critical weeks in the life of a chicken. Utmost care—and the best starter feed possible—will prevent needless, expensive "infant mortality" in your flocks.

**YOUR CHICKS MUST THRIVE** immediately after hatching if they are to develop profitably. Provide plenty of fresh, clean lukewarm water; about 1 gallon for every 50 chicks, plus an easily digestible, starting feed.

**NORMALLY A CHICK** consumes about two pounds of starter during the first six weeks. Thus it costs you so little to use a mash that is safe. That's why it is important to put your chicks on a nutritious diet.

**OCCIDENT CHICK STARTER** has what it takes! It carries the proper balance of proteins,

carbohydrates and fats, with the necessary vitamins and minerals—plus a come-hither flavor that keeps 'em coming for more. It looks good. It tastes good. Feed your chicks this eye-appealing, nutritious, easily-digested starter. Start 'em right—for a faster, more profitable finish!

**IT'S NO ACCIDENT THAT MORE** and more successful feeders in this area are switching to Occident Poultry Feeds! They are recommending it to their friends knowing it to be the finest feed that can be made. To produce the best, Occident buys the best! Yes, only the finest ingredients are used right down the line. Occident tests its feed at every stage of manufacturing and stands behind the finished products with a money back guarantee.

**WHY DON'T YOU** phone us . . . or stop in soon—find out for yourself how Occident Poultry Feeds can give faster gains . . . increased production . . . more profitable feeding for you!

**GOOD FEEDING IS NO ACCIDENT . . . IT'S OCCIDENT**

## Play Pleases Many; Second Show Tonight

The second and final performance of "No More Homework," annual Senior Class play, will be given this evening at 8:15 at Gladstone High School.

The opening presentation last evening delighted a large and appreciative audience.

Committees that have functioned in staging the production follow:

Student Directors, Nancy Holmberg and Norman Beauchamp  
Script Readers, Janet Paine and Joanne Morgan

Properties—Sue Willette, Florence Rintala and Florence Sutter  
Makeup advisor, Miss Alice Rhode

Advertising, Marlene DeMars, Jean Cretens, Marilyn Coulter and Jim Allen

Stage Manager, Dennis Lynaugh  
Construction, James Goetz, John Snouwaert and Richard Switzer

Business Manager, Helen Oat-houdt  
Costumes, Miss Ewing

Music, Paul Cowen  
Tickets, Joyce Stowe, Johan Lash and Flora Arvey

Program, Lois Karnitz, Myra Butler and Jean Cole  
House Manager, Janet LeGault, Phyllis Thivierge and Noreta Louis

## Briefly Told

**Motorist Ticketed**—Michigan State Police last night issued a traffic ticket to Richard Starrine of 2016 15th Ave. N., Escanaba, for improper use of license plates and for defective equipment on his car.

**Litters Highway**—John Anderson, Cornell, was arrested by Michigan State Police on a charge of highway littering and upon appearing before Justice of Peace A. T. Sohlerberg was fined a dollar and ordered to clean up whatever he had deposited on the roadway.

**Rummage Sale**—The Legion Auxiliary is having a rummage sale Saturday May 15 at the Legion hall, North 9th St. The sale will start at 9 a. m. and will continue all day. Anyone having articles for the sale and wishing to have them picked up may call Mrs. Louis Broman at 9-1682.

**Bake Sale**—The Dorcas society of the First Lutheran Church will sponsor a bake sale Saturday at the Apelgren Appliance Store. All articles should be brought to the store by 1, it was stated. In charge is a committee composed of Mrs. George Pada, Mrs. John Sepic and Mrs. Harold Ebbeson.

## Attend Conference In Iron Mountain

The Rev. K. J. Samuelson, pastor of the First Baptist Church of Gladstone and Isaac Hagman, lay delegate, are attending the annual Upper Peninsula and Northern Wisconsin Baptist Conference in Iron Mountain. The conference opened today and continues through Saturday. Mr. Samuelson will give the Conference address this evening. Other speakers are Professor Robert Smith of Bethel College, St. Paul, and the Rev. Danna Larson, missionary to Assam, India.

## So Many Want To Sail Prams That Plans Made To Form Junior Club

So great was the response to the Gladstone Yacht Club plan to sponsor boat sailing classes that it was decided to form a Junior Yacht Club with its own official staff and rules and regulations.

A total of 104 youths, both boys and girls, from 8 to 16 enrolled for the course and taxed facilities of the clubhouse at the opening meeting on Tuesday night.

Officers will be elected and rules formulated at next week's meeting.

It also is likely that the group will be divided into two age groups, probably 8 to 12 and 13 to 16 to facilitate teaching at future classes.

Frank St. Martin of the Escanaba Yacht Club was the instructor at the initial session and he stressed water safety. The Escanaba club will cooperate at various sessions in the future.

Vincent Johnson, commodore of the Gladstone club, said no member of the class will be allowed to actually sail a boat before being able to swim 50 to 60 yards. First attempts at sailing also will be confined to the yacht harbor, it was declared.

**Ten Pram Fleet**  
The Yacht Club's plan to sponsor a fleet of prams, small, safe sailing craft, has met with spontaneous approval.

The club voted to furnish two prams and since, the potential fleet has been enlarged to ten. The Lions club, James T. Jones, Dr. George Kelly, Grier Ivory, Johnson Bros. Oil Co., and the Northwestern Plywood and Veneer Corp., are each buying one while car.

## PTA Meeting Monday Night

The final meeting of the year will be conducted by the Central Parent Teachers' Association Monday night at 8 in the High School Assembly room.

Installation of officers will mark the meeting. Mrs. William Sepic will assume her second term as president with Mrs. Eugene Thorbahn as 1st vice president. Mrs. Harold Apelgren 2nd vice president, Robert Hupy secretary and Mrs. LeRoy Hamilton treasurer.

Mrs. R. A. Watson will be installing officer.

A report at the PTA Work Shop held recently at Menominee and attended by Mrs. Sepic and Mrs. Hamilton will be given by Mrs. Sepic.

The following program will be presented by Carl Westerbach's 5th graders:  
Announcer, Elizabeth Erickson  
Song, Anchors Aweigh, Boy's Group  
Puppet Play: The Queen and the Jam, Jam, Connie Fisher, Christine Myer, Eloise Hardwick  
Highlights of Michigan, Russell Kent, Shirley Dubrack, Gerald

Kliner, Thomas LaLonde, James R. Larson, Johan Lash, Betty Leach, Janet LeGault, Noretta Louis, Dennis H. Lynaugh,

### Army To Train 23,000 Reserves

CHICAGO (AP)—Fifth Army Headquarters Tuesday announced 23,000 Army reservists in 13 Midwest and Western states will take part in summer field training June 6-Sept. 5.

Most of the men will take a two-week training period at Camp McCoy, near Sparta, Wis. The remainder, except for a few special units, will go to Camp Carson, Colo., Camp Haven, Mich., Fort Leonard Wood, Mo. or Fort Riley, Kan.

Camp assignments and training dates are:

Camp McCoy: 85th Division (Illinois) and the 70th Division (Michigan-Indiana), June 27 - July 11; 102nd Division (Missouri - Illinois), July 11-25; 103rd Division (Iowa-Minnesota), Aug. 15-29, and the 84th Division (Wisconsin), Aug. 22-Sept. 5.

Camp Carson: 89th Infantry reserve Division (Kansas - Nebraska - Colorado), July 25-Aug. 8, and several non-divisional units later in the summer.

Other non-divisional units will go to Camp McCoy and Fort Leonard Wood.

Several engineer, chemical and transportation organizations will train at Fort Belvoir, Va., Fort McClellan, Ala., and Fort Eustis, Va., respectively.

Intelligence training will be given at the Department of the Army in Washington, D. C.

All reserve anti-aircraft artillery organizations in the Fifth Army area will train at Camp Haven.

### Special Services Arranged By Free Methodist Church

District Superintendent L. A. Robart, Manistique, will conduct special services in the Free Methodist Church Friday through Sunday, May 14-16.

Services Friday and Saturday evenings will be at 7:30 and Friday evening following the service there will be a business meeting of the official board.

Sunday morning will climax a special drive for funds to finish the church basement. Proceeds of the drive will be brought in in a great Harvest Offering.

The theme of Rev. Robart's Friday evening sermon will be "Harvest, is Ripe and Passing." Sunday night the topic will be "Watchman, What of the Night?"

### Senior Class Will Visit Historic Isle

The Senior Class of Gladstone High School will have its annual trip day on Friday, May 21, and again the upper classmen will take a trip to Michigan's historic Mackinac Island. Guiding the group will be Wallace C. Cameron, superintendent of schools, who is thoroughly familiar with the island.

### Junior Class Plans Class Party Friday

The Junior Class of Gladstone High School will have its annual party next Friday night and a picnic at Brampton Lake is planned. The same evening the class will sponsor a farewell to the Seniors dance at the high school gym. Majestic's orchestra will play the dance program.

### Louise Klug Will Go To Girls State

Miss Louise Klug has been chosen by the Auxiliary to August Mattson Post American Legion as its representative to the Girls State, Citizenship project conducted annually in the lower peninsula.

### Williams Appointee To PSC Resigns

LANSING (AP)—The resignation of John M. Veale, East Detroit attorney, as a member of the State Public Service Commission was accepted by Gov. Williams.

Veale said he was resigning to return to private law practice and to be a candidate for the Democratic nomination as state senator from Macomb County.

In his letter of resignation, Veale said he had been appointed to succeed himself last July. He noted that the Senate neither confirmed or rejected the appointment in line with a policy of refusing to confirm Democratic appointees to key state departments.

Veale said this did not permit him to make personal plans and that he was "discouraged by the result."

### DECIDING VOTE

When Congress tried President Andrew Johnson under impeachment proceedings, 35 senators voted him guilty and 19 not guilty. President Johnson was acquitted because one more vote was needed for the two-thirds majority required to convict.

### BENEDICTINE

The liqueur, Benedictine, invented in a French abbey, bears the Latin initials for "To God, most good, most great," according to the Encyclopedia Britannica.

## City Briefs

Mr. and Mrs. Douglas Boucher and daughter Annette Marie, of Detroit, visited over the weekend with his parents, Mr. and Mrs. Walter Boucher.

Mr. and Mrs. Peter Cannon left Sunday for Rochester where she entered the Mayo Clinic for examination.

Mrs. Fred Cowan has been dismissed from Abbott Hospital in Minneapolis and is convalescing

on the new Flavor-Blended  
**DURKEE'S MARGARINE**

All margarines are a blend of flavors—but there is a big difference in ordinary margarines. The flavors separate. In new Durkee's this can't happen... because Durkee scientists have found the secret of blending the flavors together so they will never separate.

This new process makes Durkee's Flavor-Blended Margarine equal to any spread at any price.

Next time you shop, be sure to get new Durkee's. Once you taste it, you'll never go back to the spread you're using now.

TAKE THE COUPON TO YOUR GROCER—IT WILL SAVE YOU 10¢ ON A POUND OF DURKEE'S NEW FLAVOR-BLENDED MARGARINE.

CLIP THIS COUPON

## Evangelist Will Conduct Meetings At Calvary Church

The Rev. Everett Swanson, world traveling evangelist, will open a series of meetings at Calvary Baptist Church Sunday May 16, at the 10:45 a. m., worship service. Travel films in full color will be shown every evening at 7:30 p. m., from May 16 through May 30 except Monday May 24.

Sunday evenings, May 23 and 30, the services will be held in the William W. Oliver Memorial Auditorium at 7:30. Saturday evening, May 29, Mr. Swanson will address the Youth for Christ rally at the Bethel Baptist Church of Gladstone.

While in Korea during the shooting war, Rev. Swanson was chosen by the South Korean Chief of Chaplains to evangelize the native army, navy, marine, and air force men. He witnessed 30,000 Korean men profess conversion to Christianity. He also interviewed the survivors of the North Korean church martyred by the Communists.

### Auditorium Meetings

His films and messages on the Korean crisis will be given on Sunday evenings May 23 and 30 at the auditorium so that the community may hear and see this eyewitness account during the time of the Korean peace negotiations. There will be no admission charge. A free-will offering will be taken.

Evangelist Swanson is also showing official government films on the thermonuclear explosions. Saturday evening, May 22, he will show "Operation Doorstep — the Atom Bomb" at Calvary Church; and on Saturday evening, May 29 at the Youth for Christ Rally in Bethel Free Church in Gladstone, he will show "Operation Ivy — the Terrible H-Bomb."

### Completes Schedule

The public is invited to the services.

The schedule of the services and the topics are as follows:

**Sunday, May 16**  
10:45 a. m., Sermon: "Business as Usual or Revival from Heaven, Which?"

7:30 p. m., Sermon: "Search Warrant for the Soul." Film: "Heaven's Gold" Alaska in glorious color.

**Monday, May 17 7:30 p. m.**  
Sermon: "The Question Box." Film: "Heaven's Gold" concluded.

**Tuesday, May 18 7:30 p. m.**  
Sermon: "Evidences of a Backslidden Heart." Film: "Land of Rising Sun" Japan's Temples and Shrines.

**Wednesday, May 19, 7:30 p. m.**  
Sermon: "Making Sure of Heaven." Film: Service Men in Japan.

**Thursday, May 20, 7:30 p. m.**  
Sermon: "How to Become God's Son." Film: "Missionaries at Work in Japan."

**Friday, May 21 7:30 p. m.**  
Sermon: "A Tragic Deficit." Film: "Dry Bones"—Philippines, Formosa and China.

**Saturday, May 22 7:30 p. m.**  
Sermon: "What is the Worst Sin?" Film: "Operation Doorstep — The Atom Bomb."

**Sunday, May 23**  
10:45 a. m., Sermon: "God Incarnate, Love Personified."

2:30 p. m., After Prophecy Rally: "Why I Believe God May Permit Russian to Attack America."

7:30 p. m., Auditorium mass meeting—Report from Korea.

Sermon: "Korea Challenge." Film: "Wrath Praising Him." — premiere showing of new sound colored film of Korea's civilians in war time.

**Tuesday, May 25 7:30 p. m.**  
Sermon: "The Price Tag on Your Soul." Film: "Bank Days"—India in glorious color.

**Wednesday, May 26 7:30 p. m.**  
Sermon: "Playing the Fool." Film: "Bank Days Concluded."

**Tuesday May 27 7:30 p. m.**  
Sermon: "A Biblical Salvation." Film: "Land of the Eunuch" — Christ for Dark Africa.

**Friday, May 28 7:30 p. m.**  
Sermon: "Barricades on the Road to Hell." Film: "Walking Where Jesus Walked."

**Saturday, May 29 Youth for Christ**

# Women's Activities

**VOWS WERE SPOKEN** by Miss Dorothy Irene Beauchamp and Lawrence August Boden in a ceremony at Holy Family Church May 8. The bride is a daughter of Mr. and Mrs. Francis X. Beauchamp of Gladstone Rte. 1. (Ridings Photo)

## Betty Birchmeire, Cletus Rochefort Exchange Vows

GARDEN—St. Michael's Church in Flint, Mich., was the scene of an early spring wedding Saturday, May 8, when Miss Betty Birchmeire, daughter of Mr. and Mrs. Anthony Birchmeire, Flint, became the bride of Cletus Rochefort, son of Mr. and Mrs. Fred Rochefort of Garden. The double ring ceremony was solemnized by Father Wolf, pastor of St. Michael's, at 9:30 a. m.

The bride, given in marriage by her father, wore a gown of white slipper satin fashioned with a fitted bodice and long tapered sleeves. A panel of lace sprinkled with silver sequins extended from the bodice into the full skirt which ended in a cathedral train. Her shoulder length veil was caught by a tiara of lace and seed pearls. Her only jewelry was a single strand of pearls, gift of the bridegroom. She carried a bouquet of red and white roses.

### Bridal Attendants

Mrs. Jeanette Wenzlich, sister of the bride, acted as matron of honor. She wore a gown of yellow nylon and taffeta, and she carried a bouquet of yellow and white gladiolus. Identical gowns of orchid nylon and taffeta were worn by the bridesmaids, Miss Joan Rochefort, sister of the bridegroom, and Mrs. Mary Ann Meder, sister of the bride. They carried bouquets of yellow and white gladiolus.

Dale Birchmeire served as best man, and ushering were Glenn Wallace and Wilfred Wenzlich. Mrs. Birchmeire attended her daughter's wedding attired in a pink crepe dress with navy accessories, while Mrs. Rochefort, the bridegroom's mother, wore a navy lace dress with white accessories.

### Breakfast and Reception

Following the ceremony, a wedding breakfast for 45 guests was served at the Maple Grove Township hall. The reception also was held there in the evening.

Upon their return from a honeymoon at an unknown destination, the newlyweds will make their home in Flint, where the bridegroom is employed by the Buick Motor Company.

**Rally in Bethel Free Church, Gladstone 7:30 p. m.**

Sermon: "Love, Courtship and Marriage." Film: "Operation Ivy — The Terrible H-Bomb."

**Sunday, May 30**  
10:45 a. m., Sermon: "The Christian Home."

2:30 p. m., Afternoon Prophecy Rally: "The End of the World."

7:30 p. m., Auditorium mass meeting: "Behind The Barbed Wire Curtain." POW report. Film: "God's Parallel In Korea." War and revival in Korea.

## Kasten Pupils Are Hostesses To Mothers At Attractive Tea

The fifth and sixth grade girls of the Kasten School at Ford River entertained their mothers at a tea following the PTA meeting Tuesday afternoon.

Tables were attractively decorated in pink and white motifs and carnations and May basket favors made by the students were presented to the mothers.

The program of the tea was as follows:

Song of the Bees by the students.

Playlet—Language of the Flowers:

Joan—Donna Dahlke; Apple Blossom—Sheryl Choler; Lily of the Valley—Dorothy Guenette; Cowslip—Tommy Brayak; Honey-suckle—Jerry Picard; Daisy—Linda Bittner; Lily—Mary Zoppia; Buttercup—Diane Dahlke; Laurel—Lolly Olson; Goldenrod—Carl Johnson; Pansy—Karen Hahn; Forget Me Not—Lois Beauchamp; Violet—Mary Margaret Guenette; Ivy—Harvey Porath; Verbena—Leo Picard; Rosemary—Donna Mae Picard; Heliotrope—Jimmy Johnson; Rose—Deleors Dahlke.

Dance—Four Couples, Captain Jinks.

Playlet—One Mother's Day.

Mother—Karen Hahn; Ten O'clock Scholar—Wallace Beauchamp; Polly—Carolyn Neuman; Cross Patch—Lolly Olson, Son John—Donald Hahn; Girl with a Curl—Linda Bittner; Mistress Mary—Lou Ann Olson; Bo-Peep—Diane Dahlke; Boy Blue—Joe Picard.

Rust marks are easily removed from silverware with steel wool and soap. Rub softly and scratches will be avoided.

**ENGAGED**—Mr. and Mrs. Theodore O. Servant have announced the engagement of their daughter, Joanne, to Pvt. Allan E. Martin, son of Mr. and Mrs. Ernest Martin. Pvt. Martin at present is stationed at Ft. Eustis, Va. (Portrait by Millie)

## Mrs. Rappette Is Named PTA President

Mrs. Vincent Rappette was elected president of the Escanaba Township Parent and Teachers Club at a meeting held Tuesday evening in the new Flat Rock School. Earl Winchester is vice president for the new year, Mrs. Jeanette Chenier, secretary, and Mrs. Edward Scott, treasurer.

Movies of the Kindergarten Circus were shown and a cake walk was held. Lunch was served by Mrs. Richard Deshambo, Mrs. Mary Jane Peltier, Mrs. Iver Ingebritsen and Mrs. Leslie Carlson.

## Personals

Mrs. Arvid Isaacson and Mrs. Viola Goodman, who have been patients at St. Joseph-Lloyd Hospital in Menominee for treatment for injuries received in an automobile accident near Menominee May 1, returned to Escanaba yesterday. Mrs. Goodman will spend a few days at the Isaacson home recuperating. Mrs. Henrietta Miller of Gladstone, who also was injured in the accident, returned to her home Monday.

Mrs. Donald Ness and daughter, Kay, 510 S. 11th St., left today for Chicago where they will visit over the weekend at the home of Mrs. Ness' mother, Mrs. William Offen.

Corsages were presented the oldest mother present, Mrs. Peter Sandmore, and the youngest, Mrs. Harold Van Effen.

Miss Dorothy Stern, 420 S. 10th St., today left for Milwaukee where she will visit with Mr. and Mrs. William Stern and family over the weekend.

Mr. and Mrs. Emmett Kauphusman returned today to Chicago after visiting with friends here. Mr. Kauphusman attended the Past Commanders' banquet of the American Legion here last evening.

Mrs. Earl Thompson Jr., Gladstone Rte. 1, left today for Racine, Wis., where she will visit with relatives for a short time.

Charles Neumeier today left for East Lansing where he will visit before reporting to Ft. Sheridan for U. S. Army service.

Is your new rug covered with bits of fluff? Don't worry about it; get busy with your vacuum cleaner. This fluffy material shows up on the surface of all new wool carpets and rugs. It's just loose bits of wool, left in the floor coverings after the weaving and cutting of the pile. Fluff never affects the quality or durability of the floor covering.

## Mother, Daughter Banquet Held At Immanuel Church

A Mother and Daughter banquet, sponsored by the Priscilla Sewing Circle of Immanuel Lutheran Church was held last evening in the church parlors.

The attractively appointed dinner was served by the men of the Lutheran Brotherhood. Spring flowers centered the tables.

Mrs. Frank Schmidt was toastmaster of the banquet program which included: Scripture and prayer by Mrs. Ann Arntzen, reading, Sylvia Simensen, duet, "Mother of Mine," Mrs. Harold Walk and her daughter, Marjorie, reading, M. C. Rinkenberger, piano duet, Ann and Rose Clayton, reading, Mrs. Gust Johnson, and assembly singing led by Mrs. Gail Russell.

Corsages were presented the oldest mother present, Mrs. Peter Sandmore, and the youngest, Mrs. Harold Van Effen.

## St. Anne's Social Club Entertains At Dessert Bridge

St. Anne's Social Club entertained at a dessert card party for members last evening in the church hall.

A brief business meeting was conducted by Mrs. Thomas Richer, president. The meeting was opened and closed with prayer by Father Clifford Nadeau who also gave a short talk.

The decorative theme of the party had as its central note a statue of the Blessed Virgin Mary which was displayed with beautiful floral adornment.

Prizes in cards were awarded

## Rock Commencement Dance At School Gym Saturday

ROCK—The Junior class of the Rock High School is busy with preparations for the commencement dance which will be given in honor of the graduating class at the Rock High School gym Saturday, May 15.

Music for dancing will be furnished by Chet Marrier from 9 p. m. until 12:30 a. m. The theme is "Moonlight and Roses."

Various committees are as follows:

Theme: Doris Hill, Pat Lusardi, Helen Hallinen, Martina Sinnaeve, Floor, Duane Vandenbusche and Terry Hade.

Ticket, Gilbert Walimaa, and Francis Verbrigghe.

Refreshment: Roger Ramseth and Louie Kulju.

Decorations: Terry Hade and Helen Hallinen as co-captains.

Others on the committee are Pat Lusardi, Howard Aalto, Walter Kanerva, Louie Kulju, Roger Ramseth, Duane Vandenbusche, Gerald Saari, Gilbert Walimaa, Martina Sinnaeve and Doris Hill.

Poster: Gilbert Walimaa.

Chaperones will be Mr. and Mrs. Arnold Sayen, Mr. and Mrs. Toivo Saari, Mr. and Mrs. George Kulack, Mr. and Mrs. Vic Mankiewicz, Mr. and Mrs. Waino Salmi, and Mr. and Mrs. Frank Salmi.

Rules for the dance include: no smoking or intoxicating beverages will be permitted and students leaving while the dance is in progress may not return.

The dance is informal and the public is invited.

at each table.

Mrs. Walter Bergeon was chairman and Mrs. Cecil Collins, assisting chairman of the party.

## Social-Club Book Review Postponed

The book review scheduled for tonight at Marygrove Shop has been postponed to May 20.

### Bake Sale Friday

A bake sale, sponsored by the Wilson Seventh Day Adventist Church, will be held at Goodman's Drug Store Friday, May 14, beginning at 9:30 a. m.

### V. F. W. Bake Sale

The V. F. W. Auxiliary will hold a bake sale Friday, May 14, at 10 a. m. at the Home Supply. Members are asked to have their donations at the store at an early hour. Mrs. E. J. Kallio and her committee are in charge.

### St. Joseph Election

Jean LaBranche was elected prefect of St. Joseph's High School Sodality at a meeting held yesterday afternoon at the school. Gary Papineau is vice prefect. Barbara Boyce, secretary, and Mary Ottensman, treasurer. The officers will be installed at church ceremonies Wednesday, May 19, at 11 a. m.

## Traffic Patrols Stepped Up For Holiday Weekends

LANSING (AP)—State Police Commissioner Joseph A. Childs announced that he would cancel regular pass days for state police over three summer holiday weekends to step up traffic law enforcement.

Childs said the order will result in the equivalent of a 20 per cent increase of patrol strength over the holiday weekends. The officers will be given equal time off on other days to make up for the pass days cancelled.

First of the weekends is Memorial Day. Pass days have been cancelled from noon, Friday, May 28, to midnight, Monday, May 31.

Similar cancellations are planned for the Fourth of July and Labor Day weekends.

## Strictly Fresh Eggs For Patrons

CHAITANOOGA, Tenn. (AP)—Chickens, among the first producers to get a packaged food product to market in a convenient container, have moved into one grocery store here to lay their eggs. The store put six White Leghorns in wire cages and the chickens laid their eggs right there. Eggs rolled into a trough, from which customers could pick them up and take them home.

**NOTICE TO BIDDERS**

Sealed bids will be received in the office of the undersigned in the city of Escanaba, Michigan, on or before May 20, 1954, at 8:00 P. M. (E.S.T.) for the furnishing of a fluoridation machine in accordance with the specifications on file in the office of the Superintendent of the Water Department. Said bids will be publicly opened and read aloud by the City Clerk at its regular meeting at 8:00 P. M. (E.S.T.) in the council chambers on said date. Specifications may be secured from the office of the undersigned, and further information may be obtained from the Superintendent of the Water Department. A certified check or bank draft, drawn payable without condition to the City Clerk, Escanaba, Michigan, in an amount not less than ten per cent (10%) of the bid, shall be submitted with each proposal as a guarantee that if the bid is accepted, the bidder will furnish materials or services as stated in his proposal. On failure of the successful bidder to fulfill the conditions of his proposal, he shall forfeit the deposit as agreed and liquidate damages, and the acceptance of the proposal will be contingent upon the bidder agreeing to this proviso. Envelope containing bid to be plainly marked "Fluoridation Equipment Bid," to be opened May 20, 1954, at 8:00 P. M. The City of Escanaba reserves the right to waive any informalities in the bidding, or to reject any or all bids, or to accept the bid which it deems most favorable to the best interest of the City of Escanaba, after all bids have been examined.

GEORGE M. HARVEY, City Clerk. 11823-May 11, 12, 13

**ORDINANCE NO. 274**

AN ORDINANCE TO AMEND ORDINANCE NO. 247, ENTITLED "AN ORDINANCE TO REGULATE THE USE OF VEHICLES ON THE PUBLIC HIGHWAYS WITHIN THE CITY OF ESCANABA, AND TO REPEAL ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HERewith," ADOPTED AUGUST 20, 1952, AND TO REPEAL ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HERewith. The City of Escanaba Ordains:

**CHAPTER I**

**Section 101. Section Added.** Ordinance No. 247 is hereby amended by the addition of the following section, numbered 101.2:

**Section 101.2. Restricted Parking.** No vehicle will park, during school hours, adjacent to school property at the locations listed below. Provided, that official signs restricting such parking shall be erected at said locations:

1. St. Joseph's School, 700 block, First Ave. S., South side of street.
2. Franklin School, 200 block, South 8th Street, East side from First Ave. S. south to alley.
3. St. Anne's School, 300 block, South 8th Street, East side from north end of school property to Third Ave. S.
4. Senior High School, 1100 block, Eighth Avenue South, south side of street.
5. Barr School, 1200 block, Fifth Ave. South, north side.
6. Washington School, 500 block, Thirteenth Street, East side from south property line to 5th Ave. S.
7. Webster School, 200 block, South 15th Street, West side, from north property line to Second Avenue South.
8. Jefferson School, 1500 block, Second Ave. S., North side from 15th Street west to alley.
9. St. Patrick's School, 200 block, South 13th Street, East side from alley to 2nd Ave. S.
10. St. Patrick's School, 200 block, 2nd Ave. S., North side, from alley to 13th Street South.

**CHAPTER II**

**Section 201. Effective Date.** This Ordinance shall be in full force and effect ten days after its passage and publication.

HARLAN J. YELLAND, Mayor.

Attest: GEORGE M. HARVEY, City Clerk. 11824-May 13

**Public Notice**

WHEREAS, the City Manager has duly filed and submitted to this Council the annual budget as provided by the City Charter for the ensuing year;

RESOLVED, that said budget be forthwith printed for public distribution as required by the Charter.

RESOLVED, FURTHER, that, in accordance with the City Charter, the Council hereby fixes the date of May 20, 1954, at the hour of 8:00 o'clock P. M. for a public hearing on said budget as submitted, and at said hearing an opportunity will be given to all persons interested to be heard.

RESOLVED, FURTHER, that the Clerk publish in the Escanaba Daily Press, a newspaper published and circulated in the city, a copy of this resolution once each day for a period of six days prior to the date set by the Council for the public hearing.

Ayes: Unanimous.

The foregoing resolution was adopted unanimously at a regular meeting of the City Council held on May 6, 1954.

GEORGE M. HARVEY, City Clerk. 11825-May 13-14-15-17-18-19

AN ORDINANCE TO AMEND ORDINANCE NO. 247, ENTITLED "AN ORDINANCE TO REGULATE THE USE OF VEHICLES ON THE PUBLIC HIGHWAYS WITHIN THE CITY OF ESCANABA, AND TO REPEAL ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HERewith," ADOPTED AUGUST 20, 1952, AND TO REPEAL ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HERewith. The City of Escanaba Ordains:

**CHAPTER I**

**Section 101. Section Added.** Ordinance No. 247 is hereby amended by the addition of the following section, numbered 101.2:

**Section 101.2. Restricted Parking.** No vehicle will park, during school hours, adjacent to school property at the locations listed below. Provided, that official signs restricting such parking shall be erected at said locations:

1. St. Joseph's School, 700 block, First Ave. S., South side of street.
2. Franklin School, 200 block, South 8th Street, East side from First Ave. S. south to alley.
3. St. Anne's School, 300 block, South 8th Street, East side from north end of school property to Third Ave. S.
4. Senior High School, 1100 block, Eighth Avenue South, south side of street.
5. Barr School, 1200 block, Fifth Ave. South, north side.
6. Washington School, 500 block, Thirteenth Street, East side from south property line to 5th Ave. S.
7. Webster School, 200 block, South 15th Street, West side, from north property line to Second Avenue South.
8. Jefferson School, 1500 block, Second Ave. S., North side from 15th Street west to alley.
9. St. Patrick's School, 200 block, South 13th Street, East side from alley to 2nd Ave. S.
10. St. Patrick's School, 200 block, 2nd Ave. S., North side, from alley to 13th Street South.

**CHAPTER II**

**Section 201. Effective Date.** This Ordinance shall be in full force and effect ten days after its passage and publication.

HARLAN J. YELLAND, Mayor.

Attest: GEORGE M. HARVEY, City Clerk. 11824-May 13

**Public Notice**

WHEREAS, the City Manager has duly filed and submitted to this Council the annual budget as provided by the City Charter for the ensuing year;

RESOLVED, that said budget be forthwith printed for public distribution as required by the Charter.

RESOLVED, FURTHER, that, in accordance with the City Charter, the Council hereby fixes the date of May 20, 1954, at the hour of 8:00 o'clock P. M. for a public hearing on said budget as submitted, and at said hearing an opportunity will be given to all persons interested to be heard.

RESOLVED, FURTHER, that the Clerk publish in the Escanaba Daily Press, a newspaper published and circulated in the city, a copy of this resolution once each day for a period of six days prior to the date set by the Council for the public hearing.

Ayes: Unanimous.

The foregoing resolution was adopted unanimously at a regular meeting of the City Council held on May 6, 1954.

GEORGE M. HARVEY, City Clerk. 11825-May 13-14-15-17-18-19

Regional Track Meet Is Set Here Saturday

225 Athletes From 11 Schools Will Compete

The Upper Peninsula regional track and field meet, in which athletes will qualify for the finals to be held in Houghton on May 22, will be staged at the Escanaba Athletic Field Saturday starting at 9:45 a. m.

The Class B and D-E meet here will draw 225 athletes from 11 schools. Six Class B schools represented will be Escanaba, Iron Mountain, Kingsford, Manistique, Menominee and Stephenson. The D-E schools will be Cooks, Nahma, Pickford, Rapid River and Rock.

Manistique is a new regional entry here, having run the regional at Marquette in recent years. Pickford is new here in Class D-E and Alpha is missing from the meet this year as is Hermansville.

With conference, meet and school records already chopped in early meets this season, a talented group of athletes is expected in action Saturday.

Three Defending Champs

In Class B, three of the athletes are defending Upper Peninsula champions. Jim Laurin of Stephenson is the 440-yard dash champ, copping the title in the U. P. finals at Marquette last year in 55.9 seconds. He has equalled that time twice in meets this season.

Bill Clapp of Menominee is the U. P. Class B high jump king with a leap of 5 feet, 9 1/16 inches last year. And Len Tremaine of Iron Mountain co-champion in the 120 high hurdles with a time of 16.6. A number of athletes who will be competing here have already bettered the top times in the U. P. finals last year.

Among the regional champions who won titles here last spring and will be back in action Saturday are Bob Visuri of Stephenson in the 100-yard dash and the 220-yard dash, and Marlin Buckmaster of Stephenson in the broad jump.

Maroons Strong

Menominee will have a strong entry with Caley in the high jump, George Gaspar in the cen-

In This Corner

With Ray Crandall

The Tri County Baseball League at its recent organization meeting took action to boycott the Escanaba Bears in a manner that seems to us to border on the ridiculous. . . . The league passed a by-law that states: "No team of the Tri County League will be allowed to play against the Escanaba Bears at any time in 1954, exhibition or otherwise, under penalty of ejection from the league."

Representatives from six teams in the league, Bark River, Perrowville, Daggett, Niagara, Hardwood and Loretto, approved the by-law. . . . Hermansville and Powers did not vote.

The move was apparently designed as a slap in the face at the Bears who reorganized this summer on an "independent" basis instead of rejoining the Tri County League. . . . In 1951 and 1952 the Bears were in the Tri County League and in both years they won the loop championship. . . . The team did not organize last season because of lack of interest among baseball followers here.

Although no official announcement was made, the word is around that the Tri County League felt the Bears should be banned because "they think they're too good for us." . . . If that is the reason for the boycott it is a fantastic one, to say the least.

When the Escanaba baseball team decided last year not to organize for the season, one of the main reasons given was lack of spectator interest. . . . And one of the chief reasons for lack of interest was because the Bears were too strong for most of the opponents they were playing in Tri County competition. . . . Which is only natural, considering the size of Escanaba and the number of players to draw from for the team.

Another factor given by the Bears' management for disorganizing last year was the lack of fans who would sacrifice other activities to go out to the baseball field and watch a game on Sunday. . . . They learned the hard way—in dollars and cents—that Sunday baseball does not go over in Escanaba as it did in years gone by.

In attempting to rekindle baseball interest in Escanaba, the Bears decided that two factors must be considered. . . . First, the team must face constant good competition. . . . Second, that games must be played on weekdays instead of Sundays in order to draw crowds. . . . Therefore they settled on the "independent" plan for this year.

The Tri County League directors should find no fault with that reasoning. . . . The Bears are going to a great deal of effort and some expense to offer baseball on a senior level in their community. . . . They had naturally hoped to get some assistance from members of the Tri County League, to the mutual benefit of those teams and the Bears, of course.

Tri County League directors may be interested in another reason why the Bears decided not to join the circuit this year. . . . They felt that there is a chance that the Escanaba reaction to baseball may be poor at best. . . . That the Bears would, possibly, have to fold up again before the season is finished. . . . And they decided that they would be wise not to jeopardize the Tri County League by becoming a member of that circuit under the circumstances.

Former Yank Hurlers Star In Milwaukee, Chicago Uniforms

By BEN PHLEGAR AP Sports Writer

The New York Yankees had some fresh answers today for critics who say they hoard talent. Exhibits A and B are Lew Burdette and Don Johnson, a pair of 27-year-old right-handed pitchers who once wore Yankee livery.

Burdette, now of the Milwaukee mound staff, mowed down the Brooklyn Dodgers on one hit Wednesday for a 5-1 victory. Johnson gave up only two hits in pitching the Chicago White Sox to a 1-0 verdict over Boston.

Johnson, who had been relegated to the minors after a 4-3 season with New York in 1947, was lumped together with Duane Pillette (now with Baltimore), Jim Delsing (now with Detroit), George Stinewiss and \$50,000 in a 1950 deal with the St. Louis Browns that brought pitcher Joe Ostrowski and Tom Ferrick and infielder

Leo Thomas to the Yanks.

Burdette was recalled from the minors in 1951 and tossed in with \$50,000 in the deal with the Braves that sent Johnny Sain to New York.

Burdette caught fire last season in Milwaukee, winning 15 while losing five. Johnson went back to the minors. Last season he had a 15-12 record at Toronto in the International League and the White Sox grabbed him. This year he has a 3-1 mark.

Detroit held on to first place in the American League by 27 percentage points by beating Washington 4-2. The Yankees edged Cleveland 5-4.

Philadelphia replaced Brooklyn at the top of the National League. The Phils won over Chicago 5-4. New York defeated Cincinnati 2-1 and St. Louis slugged Pittsburgh 13-5.

Lefty Ted Gray pitched his first

complete game and scored his first victory for the Tigers this season as he scattered six Washington hits. Jim Busby reached him for a home run in the ninth.

The Indians kayoed Eddie Lopat with a four-run uprising in the eighth but Johnny Sain saved Lopat's fifth straight triumph. The victory moved the Yankees into a tie with third place, a game and a half behind Detroit.

Johnson's rival Tom Brewer, walked in the only run of the game when he issued passes to four of the first six batters in the opening inning. Brewer had a no-hitter until Johnny Groth got an infield single in the seventh. He gave up two more singles.

The only hit off Burdette at Brooklyn was a home run by Gil Hodges in the fifth. Two Dodgers walked, two struck out.

Collect 21 Hits

Harry Perkowski of Cincinnati had a two-hit shutout working at the Polo Grounds until the ninth when, with one out and one on, Bob Hofman unloaded his second pitch-hit homer of the season.

The Phillies made four errors Wednesday night but Curt Simmons survived the handicap to post his fourth victory. The Cubs made it close when Bill Serena singled with the bases loaded for two runs in the ninth.

Rookie Wally Moon of the Cardinals got five hits in six tries against Pittsburgh and Red Schoendienst went 4-for-4 as the Redbirds battered Pirate pitching for 21 hits. The Pirates got 14. Baltimore and Philadelphia in the American League weren't scheduled.

Gladstone And Cornell Join Bay de Noc Loop

Two new teams joined the Bay de Noc baseball league at its final organization meeting this week.

New members in the circuit are Gladstone and Cornell, joining Manistique, Cooks, Garden, Fay-

"We feel that fans in this area of the Upper Peninsula would go for such a game," Griffin said. "It would be a good boost for baseball," he added.

Softball

The Merchants will hold a practice session Friday evening at 6:30 at Memorial Field.

GLADSTONE PRACTICE

The Gladstone Indians, new member of the Bay de Noc League, will practice at 6:30 Friday evening at the Bayshore diamond. Another practice session will be held Sunday afternoon at 1:30. Any players interested are welcome to attend the workouts. Bob Bizeau is in charge of the reorganization of the team which was idle last year.

ette, Trenary and Rapid River.

The eight-team circuit will get under way on Sunday, May 23, it was announced by Joe Griffin of Cooks, commissioner of the league. Representatives of all eight teams, and Limestone and Munising, attended the meeting held at Rapid River.

Griffin stated that the league schedule will be drawn up and published in the near future. Bay de Noc League rules and by-laws will be compiled and printed so that each manager and umpire has a copy during the season.

Again this year the Bay de Noc League will seek an all-star game against a similar team from the Tri County League. An effort was made to arrange such a game last year but failed.

Powers Hands Felch First League Defeat

POWERS—The Powers Tigers handed Felch, Little Seven Conference leader, its first loss of the baseball season here yesterday behind four-hit pitching by Jim Sargent, 6-0.

Sargent fanned four and walked only one while notching the shut-out. Felch had won all four previous league starts.

Coach Zig Shesky's Tigers scored a run in the first when Jim Henderson singled and went to second on a bad throw. He was sacrificed to third by Glen Jamar and Ralph Veeder drove him home.

After adding another singleton in the fourth, Powers broke loose for four runs in the sixth.

Major Leagues Shave Rosters

NEW YORK (AP)—Seven major league clubs reduced their rosters late Wednesday to 25 players plus military exemptions.

The Cleveland Indians trimmed six players, including big Luke Easter, on the deadline day.

Four clubs in each circuit already had cut their squads and Baltimore announced its cuts earlier in the day.

Cleveland—Sold outfielder Jim Lemon to Washington, optioned Easter to Ottawa, and sent pitchers Jose Santiago and Dave Hoskins to Indianapolis, outfielder Jim Dyck to Richmond and Pitcher Bill Wright to San Diego.

Detroit—Placed outfielder Steve Souchock on the 30-day disabled list and sent pitcher Dick Donovan to Atlanta and pitcher Dick Weik to Little Rock.

New York Yankees—Optioned southpaw pitchers Bill Miller to Toronto, Art Schallcock to Oakland and Bob Weisler to Kansas City.

Brooklyn—Returned outfielder Sandy Amoroso to Montreal.

Philadelphia Phillies—Optioned pitcher Ron Mrozinski to Syracuse.

Pittsburgh—Sent outfielder Gail Henley, catcher Bill Hall and pitcher Nelson King to New Orleans and released first baseman Al Grunewald to Waco.

St. Louis—Asked waivers on pitcher Hal White.

INFREQUENT WIN

ALMA (AP)—University of Detroit won one of its infrequent baseball games Wednesday, beating Alma 4-1 in a non-conference game. The victory was the third of the season for Detroit compared with eight defeats.

Big Klu Is Off To Flying Start

By JACK HAND

NEW YORK (AP)—They don't call Ted Kluszewski the blacksmith for nothing. The short sleeves of his Cincinnati uniform expose the bulging muscles of a plough jockey. He makes Rocky Marciano look like a welterweight.

The powerful Cincinnati slugger is off to a flying start this season, with 10 homers, 20 runs batted in and a .318 average.

Since April 27 in 12 games, the big fellow has batted out 17 hits in 44 trips, including eight home runs and 20 runs batted in. Before April 27 he was hitting a sickly .250.

What happened? "I changed my bat to another three ounces lighter and one inch shorter," he said. "Normally I use a 37-37 (37 ounces, 37 inches) But when I find I'm not getting around with the heavy bat, I switch to the lighter one."

Tiger Tales

DETROIT (AP)—Overheard in Briggs Stadium:

The Tigers cut their roster to 26 players—their prescribed limit—Wednesday by sending two pitchers to the minor leagues and placing Steve Souchock, veteran outfielder-first baseman, on the 30-day disabled list.

Righthander Dick Donovan, purchased from Atlanta on a conditional basis, was returned to that club while Dick Weik, another righthander, was sent to Little Rock on a 24-hour recall basis.

Souchock is still suffering from a broken bone in his right wrist and Jack Homel, Detroit trainer, says it'll be at least a month, likely more, before he'll be able to play again.

There'll be only ticket lines—and no picket lines—at Briggs Stadium tonight. A proposed strike was averted when ball park employees and the Detroit Baseball Co., reached a settlement in their wage dispute. A two-year contract was to be signed today.

The youthful Tigers stole three bases against Washington yesterday, and one time it resulted in a run. That happened in the fifth inning when rookie Al Kaline stole his third base of the season and r-d-e home on Bill Tuttle's double. Tuttle and Jim Delsing also pilfered bases for Detroit.

Sport Shorties

Rookie Rudy Regalado of the Cleveland Indians won a combat infantry badge during the Korean conflict. Before entering the military service he was a student at the University of Southern California.

Frank Baumholtz of the Chicago Cubs played professional basketball with the Cleveland Rebels of the Basketball Association of America.

# Gray Wins; Tigers To Tackle Yankees Today

By JOE FALLS  
DETROIT (AP)—The world champion New York Yankees, slow in starting but gaining momentum, meet the upstart Detroit Tigers tonight in the season's first night game in Briggs Stadium.

The Yankees will test the Tigers in a three-game series to see if they are contenders or pretenders.

Casey Stengel, wrinkle-faced manager of the New Yorkers, thinks it's the latter, although he admits the Bengals are a vastly improved team.

Not Chief Threat  
Stengel names Cleveland — not

Chicago or Detroit—as the chief threat to the Yankees this season. The Tigers will attempt to prove Old Casey wrong.

Detroit skipper Fred Hutchinson has named Ned Garver to open the three-game series. Garver has a perfect 3-0 record, leads the league in earned run averages but usually has little success against the Yankees, who have beaten him 14 times while losing only twice.

Stengel picked righthander Tom Morgan, the ex-throw boy and former GI, to oppose Garver. Morgan has a 2-0 record.

Slim Margin

The Tigers hold first place by the slim margin of 27 percentage points over the second-place Chicago White Sox. Ted Gray protected the margin by pitching Detroit to a 4-2 victory over Washington Wednesday.

It was Gray's first victory of the season, and he had to work for it. The 29-year-old southpaw threw 149 pitches, allowing six hits in going the distance for the first time this season. The Senators put runners on base in every inning but the first and last.

Boone Clouts Homer

Gray, however, had all the working margin he needed by the time the first inning was over. Ray Boone slammed a three-run homer off starter-loser Camilo Pascual, Washington's 19-year-old Cuban righthander. It was Boone's fourth home run of the season.

Hutchinson said Steve Gromek would pitch against the Yankees Friday, with Billy Hoelt closing out the series Saturday.

The Tigers are anxious to make a good showing against the world

champions. They were able to beat them only six times all last season, losing 16 times.

Those voting affirmatively were LeBrasseur, McEachern, Mrs. Ludwig Hough, county school superintendent, and A. W. Heitman, chairman of the finance committee of the county board of supervisors.

The 15-mill property tax, which is payable Dec. 1, this year will be based on a total equalized valuation of \$12,303,824.

School Needs

Manistique Public Schools, on the basis of state aid provided by the state legislature, had anticipated a deficit next year of \$13,000 to \$14,000, and this year estimated its deficit would be \$10,000, unless it receives a proposed \$8 per child surplus distribution from the state.

Public schools in the city expect a higher secondary enrollment next year, possibly necessitating the hiring of an additional teacher in the high school. Grade school enrollment is expected to be slightly under this year's total.

In the township units, Gernfask schools are hardest pressed due to the low assessed valuation in the township and proportionately, a large number of students.

Not Too New

The "new stuff" Brennan wanted to introduce wasn't anything radical. He has a few ideas of his own about plays and methods, but he plans to use the split-T formation as taught by Frank Leahy, whom he assisted last season, and Oklahoma's Bud Wilkinson.

"There's not too much that's new in football," Terry said. "About all you can do is put in some variation that will make a play different."

(Friday—The players tell their opinion of Brennan.)

a-Popped out for Pascual in 6th.

b-Grounded out for Dixon in 8th.

Washington 001 000 001—2.

Detroit 300 010 001—4.

E—Kuenn 2, RBI — Sievers, Busby, Boone 3, Tuttle. 2B—House, HR—Busby, Boone. SB—Delsing, Kaline, Tuttle. DP — Terwilliger and Vernon. Left — Washington 11, Detroit 11. B—Pascual 4, Dixon 2, Gray 6. SO—Pascual 5, Stone 1, Gray 2. HO—Pascual 8 in 5, Dixon 2 in 2, Stone 0 in 1. R-ER—Pascual 4-4, Dixon 0-0, Stone 0-0, Gray 2-1. W—Gray (1-2), L—Pascual (1-2). U—Chylak, McGowan, Paparella, Honochick. T—2:04. A—4,087.

Those voting affirmatively were LeBrasseur, McEachern, Mrs. Ludwig Hough, county school superintendent, and A. W. Heitman, chairman of the finance committee of the county board of supervisors.

The 15-mill property tax, which is payable Dec. 1, this year will be based on a total equalized valuation of \$12,303,824.

School Needs

Manistique Public Schools, on the basis of state aid provided by the state legislature, had anticipated a deficit next year of \$13,000 to \$14,000, and this year estimated its deficit would be \$10,000, unless it receives a proposed \$8 per child surplus distribution from the state.

Public schools in the city expect a higher secondary enrollment next year, possibly necessitating the hiring of an additional teacher in the high school. Grade school enrollment is expected to be slightly under this year's total.

In the township units, Gernfask schools are hardest pressed due to the low assessed valuation in the township and proportionately, a large number of students.

Not Too New

The "new stuff" Brennan wanted to introduce wasn't anything radical. He has a few ideas of his own about plays and methods, but he plans to use the split-T formation as taught by Frank Leahy, whom he assisted last season, and Oklahoma's Bud Wilkinson.

"There's not too much that's new in football," Terry said. "About all you can do is put in some variation that will make a play different."

(Friday—The players tell their opinion of Brennan.)

## Schools Receive 5 1/2 Mills In Final Tax Allocation

The Schoolcraft County Tax Allocation Board Wednesday morning, in its final meeting, allocated 9 1/2 mills for the county and 5 1/2 mills to the schools for the 1954 allocation of the 15-mill general property tax.

The move Wednesday, which coincided with action taken at a preliminary allocation meeting May 3, marks the first time since 1948 that Schoolcraft schools received more than the minimum five mills.

The motion for the allocation was made by William McEachern of Inwood Township and seconded by Earl LeBrasseur of the Manistique public school system.

Taxes Payable Dec. 1

The vote was split 4-2 with Laura Williams, county treasurer, and William Brain, of Gernfask, dissenting. Brain is chairman of the board.

Those voting affirmatively were LeBrasseur, McEachern, Mrs. Ludwig Hough, county school superintendent, and A. W. Heitman, chairman of the finance committee of the county board of supervisors.

The 15-mill property tax, which is payable Dec. 1, this year will be based on a total equalized valuation of \$12,303,824.

School Needs

Manistique Public Schools, on the basis of state aid provided by the state legislature, had anticipated a deficit next year of \$13,000 to \$14,000, and this year estimated its deficit would be \$10,000, unless it receives a proposed \$8 per child surplus distribution from the state.

Public schools in the city expect a higher secondary enrollment next year, possibly necessitating the hiring of an additional teacher in the high school. Grade school enrollment is expected to be slightly under this year's total.

In the township units, Gernfask schools are hardest pressed due to the low assessed valuation in the township and proportionately, a large number of students.

Registration For  
Kindergarten At  
Stephenson May 19

STEPHENSON — All children residing in Stephenson Township who will be 5 on or before Dec. 1, may enroll in the kindergarten class which will begin Sept. 1.

Registrations and physical examinations will be given to these children in the Stephenson High School gymnasium Wednesday, May 19 from 8:30 to 11:30 a. m., by Dr. William C. Harrison of the Delta-Menominee Health Department. Miss Irma Bruemmer, county nurse, will assist with the physical examinations.

Parents are requested to bring the child's birth certificate for registration.

**Stephenson School Approved**  
The board of education of the Stephenson Public Schools has been informed that the Stephenson High School has been approved for the 1954-55 school year by the North Central Association of Colleges and Secondary Schools. School systems who are members of the NCA are evaluated each year to determine if the school is meeting the educational standards set up by the NCA.

**Homemaking Teachers**  
Homemaking teachers from Escanaba, Menominee, Carney and Stephenson met for the Menominee County Homemaking Curriculum session at the Carney school homemaking department Tuesday evening, May 11. A chicken dinner was served by Mrs. Hakes.

The Resource Unit on Child Development which was compiled at a Michigan State summer workshop was evaluated.

**Bacharach To Attend**  
John A. Bacharach will be present at the next meeting of the Health Committee of the CSSP Thursday, May 20, to discuss local problems in public sanitation. Mr. Bacharach and members of the Health Committee recently completed a series of visitations to the premises of local food handlers. Anyone interested in health problems is invited to attend. The meeting will be held at 8 p. m., in the Stephenson High School.

Blaney-Green School

**Church Services**  
BLANEY-GREEN SCHOOL — Mennonite Church services, Norman Weaver pastor, are: Sunday School, 10 a. m. Preaching service, 11 a. m. Sunday evening service 7:30. Mid-week prayer service and Bible study 7:30 p. m. Wednesday.

**Wedding Shower**  
Mrs. Leo Snyder of Gulliver and Mrs. William Stocker of Manistique were hostesses at a wedding shower at the Mueller Township School Monday evening in honor of Miss Gail Norton of Manistique, who will become the bride of Adolmer LaCroix Jr. on May 22. Games were played with prizes awarded as follows: Pedro, 1st, Mrs. Dorothy Whitcomb, 2nd, Mrs. Alveda Terrian; cribbage 1st, Mrs. Eva Besner, and 2nd, to Mrs. Vern Popour; Bug, 1st, Miss Carolyn Nelson and 2nd, Miss Shirley Hamill; guest prize, Mrs. Jean Rodgers. Lunch was served from a table centered with a pink and white decorated cake with white candles at either end. Miss Norton received many gifts.

**St. Joseph's Circle**  
St. Joseph's Circle will hold a rummage sale at the Ford Garage in Manistique May 27 and 28.

**Personals**  
Mr. and Mrs. Roy Anderson and family spent the weekend at Grand Marais, as guests of her sister and family Mr. and Mrs. Toivo Olli.

Mrs. Adolmer LaCroix is a patient at Schoolcraft Memorial Hospital.

Mrs. Delor Breseau is a medical patient at Schoolcraft Memorial Hospital.

Work has begun on the new Mueller Township Hall, which is being built on the same premises next to the school.
